

TEA PARTY EXPRESS

The Washington Establishment just doesn't get it...

TEA PARTY EXPRESS

www.TeaPartyExpress.org

Late Friday Night

Dear Fellow Conservative,

Are you sick-and-tired of Democrats and even some RINO Republicans who say all the right things?

But when the pressure is on...

And the fake-news media, the woke corporations and the Washington insiders attack -- they fold like a cheap suit.

Then join me today by rushing back your 2022 Tea Party Tour Reply.

The political winds are blowing in our favor this election season and we have the opportunity to elect a great conservative majority if we keep going strong.

We need to elect bold conservative leaders who will fight for America and our counservative values...

No more excuses.

No more apologies.

No more backing down.

We need leaders like President Trump and Governor Ron DeSantis, who do NOT fold when faced with a massive onslaught from the Left...

If not, the America you and I love will die.

Just look at what Democrats do:

- Americans are being devastated by record-setting inflation...

... And the Democrats' answer is to pass billions more in government spending -- which will make it worse!

- Families are being crushed by skyrocketing gas prices...

... And the Democrats' answer is to ram through the "Green New Deal" -- which will make it worse!

- Our Southern border is being completely overrun by drug smugglers and criminals hiding among the legitimate refugees...

... And the Democrats' answer is to repeal Trump's border policies and slash police budgets -- which will make it worse!

No matter the problem -- the Democrats push their radical agenda as the answer.

They don't even attempt to compromise. They don't even pretend to negotiate.

They ask their radical buddies in the fake-news media and woke corporations to pressure Democrats and establishment Republicans to break.

And please know this is NOT the Democrat party of our youth -- this is a radical Socialist movement that will destroy this country if we don't stop it...

That's why I'm asking for your help today.

Will you join me to stop the Democrats by electing

strong conservative leaders who will stand up for our principles no matter the pressure they face?

If so, then rush back your 2022 Tea Party Tour Reply today.

My friend, I sent you this letter today because I was told that you not only love America, but that you're willing to take action to save it.

You've contributed to conservative groups and candidates and you've signed Petitions -- THANK YOU!

Conservative patriots like you are the only way we're going to stop the left-wing Progressive Democrats from destroying America.

But, I'm also sure you don't have time to interview every candidate running, research their voting records and analyze their districts...

But the good news is that you don't have to -- that's our job here at the Tea Party Express.

We have been travelling to all of the key states, interviewing Senate and House candidates to endorse. When we endorse them, you know we have met them personally and can vouch for their conservative credentials.

We only support strong conservatives -- not weak establishment candidates who fold when Biden, Pelosi and the fake-news media pressure them.

In 2022, we're working to elect strong leaders -- because that's the only way we're going to win this battle for America.

So please, join me today.

While I'm doing the work to identify the strongest

candidates in critical districts -- your help is needed to get them elected.

That's why in addition to rushing back your urgent 2022 Tea Party Tour Reply, I'm also asking you to send back a one-time urgent donation of \$35.

And if you can give more today, say \$50, \$75, \$100, \$250 or more I will be able to elect even more strong Republicans...

But, whatever amount you can send I just ask that you rush it back right away.

We're already in the middle of primary season and November is right around corner -- so please do not delay.

The only way we're going to stop the leftist Democrats is with a massive groundswell of grassroots conservatives committed to electing strong Republicans AND holding them accountable.

Thank you for reading my letter today, I hope you'll join me in this critical fight.

For America,

Sal Russo
Chief Strategist, TEA Party Express

P.S. We need conservatives who stand strong in the face of attacks from the fake-news media, woke corporations and the Washington establishment.

For too long we've been let down by our weak leaders -- not anymore. Join me today to elect strong conservative leaders and hold them accountable after they win by rushing back your 2022 Tea Party Tour Reply along with your one-time urgent donation of \$35, \$50, \$100, \$250 or more today.

Thank you!
