

Misappropriation, Embezzlement of a Trust Fund is Against the Law [Revised] !

[This is a Newspaper Article near the end of L.T.G. Volume Two.] Consider this, I believe (after you've read the following information you'll agree) some U.S. Congressmen, U.S. Legislatures, who can be like the Pharisees and lawyers Jesus confronted (Mat 15:1-9; 22:34-40; Luke 7:29-30; 10:25-26; 11:44-46, 52), have actually **robbed the [our] Social Security Trust Fund** and used its funds for unauthorized and unethical purposes.

Peter J. Forbes (TSCAA–NSCC) said, "Social Security isn't WELFARE, and it isn't WASTEFUL PORK BARREL SPENDING... The Trust Fund Raid, benefit cuts, and new, risky 'Privatization' schemes: these are the dangers to Social Security – not our benefits!... Congress raided [Social Security Trust Fund surpluses] \$62 Billion in 2012 and \$62 Billion in 2013!"

The Seniors Coalition (TSC) on "Social Security Trust Fund 'Theft:' The politicians have taken more than TWO TRILLION DOLLARS from Social Security and spent it on their wasteful 'give-away' programs since 1986. Now, with liberal President Barack Obama back [now Joe Biden] in the White House and the liberal Democrats solidly in control of U.S. Senate [Republicans now have the ~~majority~~ minority and have not done their job for those who elected them], this 'theft' is likely not only to continue, but get much, much worse."

Wanda Powe (AFSC) said, "President Obama [now Joe Biden] and his liberal cohorts are attempting to spend more of your Social Security Trust Fund for their special interest, pork barrel projects." Amy M. Ridenour (NRSTF) said, "WHEREAS, for too long, big government has been raiding money from my Social Security Trust Fund and spending it on corporate welfare and various other pork-barrel programs."

According to TSCAA (A Project of NSCC), "...to ratify...proposed 28th Amendment... STOPS Congress from spending Trust Fund money on regular government expenses and wasteful pet projects."

With your help, **The Seniors Coalition** (TSC) "We'll also fight to protect your Social Security Trust Funds with a 'Lock Box,' so your future benefits can't be raided to pay for the politicians' wasteful 'ear-marks' [and 'pork-barrel' spending]. **And we'll keep leading the fight to 'STOP PAYMENT!' of your Social Security [Trust Fund] benefits to illegal aliens from Mexico!**"

Larry Hyland, Chairman of (TSCL) The Senior Citizens League, said, "...Congress has already spent our Social Security Trust Fund reserves and replaced them with worthless IOU's." "...Congress has 'raided' the Social Security Trust Fund to finance pork barrel projects and other unrelated government spending – for a total of \$3.25 TRILLION [TSCAA–NSCC] since 1968 [CSSSM, A Project of NAUS]!"

Are those possibly some reasons why some Congressmen (Pharisees and lawyers, hypocrites) haven't done anything about corrupt Obama [now Joe Biden], because they are corrupt too? What part did the Trustees have in this crime? And Obama [now Joe Biden] wants to rob (or cut as HCRTF, A project of NCPPR, puts it) \$716 billion from Medicare to fund ObamaCare!

Misappropriation, embezzlement [robbery] of a Trust Fund is against the Law! There would be enough Social Security and Medicare Funds for the elderly and not in the red if Congress and the Presidents wouldn't have embezzled (stolen) the money!

Considering the wrongdoings of Nixon and Clinton, Congress should have impeached and convicted (IOC) Obama [now Joe Biden] (ring-leader of our woes) ten times by now and removed (evicted) him from office. If they don't soon and Obama [now Joe Biden] doesn't resign, Patriots may legally drive him from office (FW) and force him from the White House (USJF).

Many Republicans in Congress need to get some righteous backbone, especially the leadership. I wonder...how many congressmen are in the same boat as/with Obama [now Joe Biden]?

Liberal Congress needs to get their hands out of Americans' pockets and start doing something constructive!

Note: Secretive Barack Hussein [Soebarkah] Obama [now Joe Biden] had unconstitutional [now DBG] Czars set up in his administration. In the *Webster's New World Dictionary*, I found that *tsar*, *tzar* or *czar* is an emperor, title of any of the former emperors of Russia, an autocrat, despot, absolute ruler. According to *Strong's Exhaustive Concordance of the Bible* with Dictionaries, the Hebrew word *tsar* (H6862) was translated "enemies, narrow, tribulation," etc. in the KJV.

“STOP PAYMENT!” Of Social Security Benefits To Illegal Immigrants from Mexico!

Dear Concerned American Senior,

How much of your own Social Security benefits are you willing to give to an ILLEGAL ALIEN from Mexico?

Right now, the politicians in Washington, D.C. are doing all they can to pander to illegal aliens and the illegal immigrant lobby. What's more, the Social Security Administration has already signed an agreement with Mexican government officials.

They plan to pay Social Security benefits to illegal aliens from Mexico, directly from your Social Security Trust Fund.

If you agree with me that this plan must be stopped, please sign the enclosed **EMERGENCY "STOP PAYMENT" PETITION** and rush it back to me for immediate delivery to your U.S. Representative in Congress.

Please, I must hear from you right away. Because very soon, as part of our **NO Social Security for Illegals Project** I must deliver an overwhelming wave of what I hope will be stacks and stacks of tens of thousands of petitions to Capitol Hill to STOP Social Security benefits for illegals.

Your Seniors Coalition is fighting this dangerous plan. But I cannot lead this fight without your help today. You've generously helped us in the past so, when you rush your signed **EMERGENCY "STOP PAYMENT" PETITION** back to me, I hope you will send a **GENEROUS CONTRIBUTION** of **\$10, \$15, \$20, \$50, \$100** or more to help fund the **NO Social Security for Illegals Project** I must organize to counter this unexpected threat to your retirement security.

With pro-illegal immigration politicians in-control in Washington, D.C. you and I must work fast.

The U.S. and Mexican officials now working to hand your Social

Over, please. . .

Security benefits to illegals are working quickly ... and they have head-start on you and me!

High-level U.S. and Mexican officials have held several meetings ever since November 2001. They always insist these meetings are "informal" and "preliminary." But they're not!

In fact, an internal Social Security Administration memo obtained by The Washington Post says the agreement to give your Social Security benefits to illegal aliens "is expected to move forward at an accelerated pace," with the support of both governments. With liberals who pander to illegal immigrant special interest groups in control of Washington, D.C. this could be in force any day now. The clock is ticking on your Social Security, my friend.

One U.S. State Department official even confessed, "The staffing and budget implications haven't been fully worked out, but we're thinking about it." And, in fact, the State Department plans to build an entirely new building in the U.S. embassy complex in Mexico City just to deal with the crush of Mexican citizens expected to apply for Social Security benefits!

I must have your signed **EMERGENCY "STOP PAYMENT" PETITION** and your **GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more to support our **NO Social Security for Illegals Project** as soon as possible.

Otherwise, this Social Security for illegals plan will "put tens of thousands of Mexicans onto the Social Security roster and send hundreds of millions of dollars in benefits south of the border." And an independent research group warns the government's figures "seriously underestimate the number of Mexicans who would seek Social Security benefits."

Based on all my years of experience working with retirement issues, I fear the worst. In all my years with your Seniors Coalition, I've never seen a more dangerous assault on your retirement security.

Think about it:

- ➔ ILLEGAL aliens getting LEGAL Social Security checks?!
- ➔ MEXICAN citizens taking U.S. Social Security money?!
- ➔ That's the craziest, most unfair thing I've ever heard.

But that's exactly what the pro-illegal immigrant politicians plan to do! And, remember, we're NOT talking about American citizens who came here legally from Mexico, or who are descended from Mexican immigrants, and who paid into Social Security during their working lives. Instead, this plan will give Social Security benefits to MEXICAN CITIZENS, including ILLEGAL ALIENS!

This disastrous plan endangers the retirement security you and I

have earned through a lifetime of hard work.

And that's why The Seniors Coalition is going to fight to protect your Social Security benefits with our **NO Social Security for Illegals Project**, and I am counting on your signed **EMERGENCY "STOP PAYMENT" PETITION** and **your GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more to help us WIN.

That's right... I said "WIN"!

Because, with your continued support, today, I am confident your Seniors Coalition's massive **NO Social Security for Illegals Project** can focus the anger of seniors like you from all across America and bombard the politicians in Washington, D.C. with **EMERGENCY "STOP PAYMENT" PETITIONS** at a time when the NEARLY EVEN SPLIT between parties - and the VERY slight edge held by those who promote Social Security for illegals! - means politicians are listening VERY CAREFULLY to what their constituents say. Otherwise, they'll LOSE THEIR JOBS!

The politicians haven't forgotten that senior citizens vote.

So, even though they tell us they want to take a BILLION DOLLARS from Social Security and pay it to non-U.S. citizens, they're more likely than ever before to CHANGE THEIR TUNE when they hear from you , from your Seniors Coalition and from the Seniors you help me reach and rally from all across America! Our **NO Social Security for Illegals Project** your **GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more makes possible will make them THINK!

As soon as I learned of this dangerous plan, I knew I had to write and warn you ... and to ask for your immediate help.

You know handing out Social Security benefits to non-U.S. citizens who live in other countries is just plain crazy.

That's why, right now, you and I must use **EMERGENCY "STOP PAYMENT" PETITIONS** to remind the politicians in Washington, D.C., that senior citizens will not let them get away with this Social Security for illegals vote-buying scheme!

You and I both know politicians are trying to attract the "Hispanic Vote." But you and I can't let them buy votes with our Social Security money -- paid for with our tax dollars!

That's why you and I must use our powerful **NO Social Security for Illegals Project** to remind the politicians about the "Senior Citizen Vote." And that's why I must have your signed **EMERGENCY "STOP PAYMENT" PETITION** and your **GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more, today.

With your help, I'll keep delivering stacks and stacks of tens or even hundreds of thousands of **EMERGENCY "STOP PAYMENT" PETITIONS** to

Congress as part of the NO Social Security for Illegals Project.

And I will keep delivering **EMERGENCY "STOP PAYMENT" PETITIONS** until the politicians get the message and **"STOP PAYMENT!"** of benefits to illegal aliens from our Social Security Trust Funds.

Every week, I want to take the PETITIONS I've received to the Capitol and add them to the 963,216 PETITIONS already delivered.

There is only one way to deal with a politician who has his hand in the cookie jar. Expose him, and shame him.

To raise the funds necessary to run an aggressive lobbying and public education campaign like the NO Social Security for Illegals Project, I must ask concerned senior citizens like you to make a GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100 or more so I can STOP this Social Security STEAL with your help.

In the past you've generously supported our work, so I hope you will dig deep and give the most generous contribution you can afford today, because our NO Social Security for Illegals Project calls for much more than this round of **EMERGENCY "STOP PAYMENT" PETITIONS**.

With your financial support, I can authorize our lobbying staff to move forward with a national advertising campaign to expose this "benefits scandal." I can also warn as many senior citizens as possible to get involved and defeat this dangerous plan before it does real damage to your retirement security.

Please rush your signed **EMERGENCY "STOP PAYMENT" PETITION** back to me today! And when you do, please include a **GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more to fight - and win! - this battle to protect YOUR Social Security benefits from illegal immigrants and vote-buying politicians.

Please let me hear from you right away.

Yours to STOP the Social Security STEAL,

Dr. Joseph L. Bridges President & CEO

P.S. Top U.S. and Mexican officials have been quietly working for the last 17 years on a dangerous plan to pay your Social Security benefits illegal aliens from Mexico! Unless you and I STOP them with our NO Social Security for Illegals Project, Payments could start any day.

PLEASE sign your enclosed **EMERGENCY "STOP PAYMENT" PETITION** and RUSH it back to me today with your most **GENEROUS CONTRIBUTION of \$10, \$15, \$20, \$50, \$100** or more.

Thank you!

Dear

Standing up for our pro-life values in Washington has always been one of my top priorities. As a mother, I know how sacred and fragile the miracle of life is and how intimate the bond is that grows between a mother and her child.

Recently, the Supreme Court made the right decision in returning this issue to the states and putting this debate firmly into the hands of the people's representatives. As a member on the House Appropriations Committee, I will continue to work to ensure that your hard-earned dollars do not go towards abortion services by preserving the Hyde Amendment. I have also supported several critical pieces of pro-life legislation:

- **H.R. 6060, The Conscience Protection Act**, would implement legal protections for health care providers that refuse to participate in abortion services based on religious or personal beliefs.
- **H.R. 554, The SAVE Moms and Babies Act** would strengthen federal oversight regarding the regulation and distribution of chemical abortion drugs.
- **H.R. 541, the Defund Planned Parenthood Act of 2021**, which would restrict any federal funding for Planned Parenthood Federation of America Inc., and
- **I co-signed a letter** to the Attorney General Garland demanding the U.S. Department of Justice's plans to investigate acts of domestic terrorism against pro-life pregnancy centers and churches.

I urge Speaker Pelosi to quickly bring these important bills to the House Floor for a vote. As Congress works to protect life, we must also seek avenues that will give needed resources to mothers and families to care for a life. Years from now, we will tell our children and grandchildren about the day when the United States finally and steadfastly stood for life.

It is an honor to serve the people of Louisiana's Fifth District in Congress and we always welcome your questions and concerns. To stay connected with the work I am doing in Washington and at home, I invite you to subscribe to my newsletter and visit my website letlow.house.gov.

Sincerely,

Julia Letlow
