5 Dear Fellow American,

6 It's the crisis they've been waiting for.

7 Radicals in Congress have teamed up with the Biden administration and are
8 still using the Chinese Flu pandemic to complete Barack Obama's "fundamental
9 transformation" of America...

10 **... and turn our Constitutional Republic into a socialist dictatorship!**

11 They're pushing a leftist agenda that includes universal healthcare,
12 wide open borders, welfare for illegal aliens, income for those who won't work,
13 paying off trillions in student loans, canceling rent, and even calling for a nationwide
14 "general strike."

15 **THEY MUST BE STOPPED!!**

16 Please, immediately sign and return the enclosed **Socialist Restraining Order to**
17 **Speaker of the House Nancy Pelosi** demanding she STOP these anti-American, anti-
18 Constitutional, big-government power grabs.

19 United States Justice Foundation (USJF) is the "legal arm" of the conservative
20 movement. Our lawyers have been battling the Left for decades.

21 However, the threat today's radicals present to America, our Constitution, and our
22 way of life is greater than we've ever seen.

23 You and I don't have much time left to act.

24 These leftists aren't waiting for the 2022 election. They are moving today -- right
25 now -- to forever change America.

26 They are DELIGHTED by the double wave of destruction that swept America --
27 **lockdowns** and **riots**.

28 After all, Joe Biden told his supporters that this crisis (caused by Communist

1 China) is a great way to “fundamentally transform the country.”

2 The \$2.2 TRILLION “CARES” Act was quickly followed by the so-called
3 “HEROES” Act at \$3.4 TRILLION, then the \$1.9 TRILLION badly misnamed “American
4 Rescue Plan,” the \$2.2 TRILLION Infrastructure Bill, and now the \$1.9 TRILLION “Build
5 Back Better” Bill . . . a never-ending socialist wish list of pork including stimulus checks,
6 free healthcare, and amnesty to illegal aliens!

7 Just consider what Nancy Pelosi and her leftists are jamming through Congress:

8 >>> Bailouts for New York City, New York State, California, and other
9 mismanaged left-wing cities and states that have blown through
10 taxpayer money like drunken thieves!

11 >>> Guaranteed income for Americans who don’t want to work even if
12 they can find a job!

13 >>> Rent cancellation -- proposed by Rep. Ilhan Omar, a member of the
14 socialist “Squad” -- that would bankrupt landlords across America!

15 >>> Student loan cancellation -- over \$1.6 TRILLION -- plus “FREE”
16 college -- all paid for by you and me!

17 >>> Universal pre-kindergarten and other childcare programs.

18 As I write you this letter, Pelosi’s House has already rammed through \$1 trillion
19 in bailout money for badly run leftist states and cities.

20 And she’s not through yet.

21 These leftists are so determined to upend America that they have actually used the
22 pandemic to change the rules of the House of Representatives to allow voting by proxy!

23 Under these rules only 43 House members need to be present to pass anything!

24 That’s beyond shocking: It means just 22 leftist House members can pass all
25 kinds of crazy socialist bills!

26 But that’s not all.

27 Socialist Alexandria Ocasio-Cortez wants the Democratic Party and her allies
28 in the Democratic Socialists of America to “create the conditions” like those that always

bring socialist nations to a grinding halt.

1 Just when vaccines are rolling out and Americans are returning to work and
2 school, this left-wing lunatic wants to blow the economy up with crippling labor union
3 strikes and mass protests . . .

4 . . . and then use any manufactured crisis -- RIOTS, for example -- to ram through
5 EVEN MORE socialist legislation.

6 **So please sign your Socialist Restraining Order and rush it back to me today**
7 **with a generous emergency tax-deductible donation of \$25, \$35, \$50, \$100, or more**
8 **to USJF.**

9 I served in Congress. I know these leftists well.

10 They don't really care about helping ordinary Americans. They care only about
11 getting MORE POWER.

12 And they'll use ANY crisis to get it.

13 Their plan is to pass as much socialist legislation as they can, claiming it's "must
14 pass" emergency legislation to help poor, struggling Americans when it's really just to
15 create government dependency.

16 They KNOW they won't get 100% of what they want.

17 But they believe they can force or shame the Senate into passing at least part of
18 their crazed agenda, which President Biden will eagerly sign into law.

19 THAT will be enough to fundamentally transform our great country --
20 **PERMANENTLY.**

21 USJF has accomplished a lot in its 43 years as the legal arm of the conservative
22 movement.

23 We did our part to successfully defend President Trump's travel ban at the Supreme
24 Court, rallied the American people against his impeachment, and helped block statehood
25 for Washington D.C., and Puerto Rico.

26 But this may be our toughest challenge yet.

27 Please immediately sign and return the enclosed **Socialist Restraining Order to**
28 **Speaker Pelosi** demanding she STOP each and every one of these socialist bills.

She must hear a LOUD-AND-CLEAR MESSAGE from "**We the People**"

Over, please...

1 that we will not sit idly by and watch her destroy our Constitution and freedom
2 forever with socialism.

3 As you know, the media will NOT be giving the American people the
4 FACTS about these bills.

5 **That's why USJF needs to reach MILLIONS OF AMERICANS now**
6 **with this news, and inundate Speaker Pelosi with Socialist Restraining**
7 **Orders right now.**

8 So please sign your **Socialist Restraining Order** and rush it back to me
9 today along with a generous emergency tax-deductible donation of \$25, \$35, \$50,
10 \$100, or more, or whatever you can manage today.

11 USJF needs your financial support now because we cannot let up for even
12 one second.

13 We must collect and deliver these restraining orders now -- especially given
14 the falling popularity of the Biden-Harris Administration -- to show the media and
15 Senate Republicans that the American people absolutely oppose socialism.

16 Leftists in Congress must not be allowed to use this public health crisis and
17 electoral victory to "fundamentally transform" America.

18 Please sign your **Socialist Restraining Order to Speaker Pelosi**, and rush
19 it back to me with the very best tax-deductible contribution you can afford.

20 Sincerely,

21 J.D. Hayworth
22 Member of Congress
23 1995-2007

24 P.S. Radical leftists in Congress are working nonstop, using the pandemic
25 "crisis" to destroy our freedom and turn America into a socialist
26 dictatorship. PLEASE, immediately sign and return the enclosed **Socialist**
27 **Restraining Order to Speaker Nancy Pelosi** to SEND A MESSAGE
28 demanding she STOP pushing TRILLIONS and TRILLIONS in socialist
bills through the House of Representatives. And, equally important, when
you do, please include a generous emergency tax-deductible donation of
\$25, \$35, \$50, \$100, or more, or whatever you can spare.

I, the undersigned Citizen of the United
States of America, do hereby demand that you
immediately STOP using the COVID-19 pandemic
crisis as an excuse to pass radical anti-
American, anti-Constitutional legislation
that would impose a socialist agenda on
America, permanently destroying our freedom
and burdening future generations with
trillions of dollars in new debt.

Specifically, I oppose any legislation that
bails out states or cities in financial
trouble due to their own past reckless
spending; cancels all student loan debt
and pays for "free" college; allows renters
to stop paying rent; provides income to
people unwilling to work; grants amnesty
and money to illegal aliens; and any
other scheme that will further destroy
the American people's economy, work ethic,
respect for property, and the rule of law.

Please know that I will not watch silently
and allow the federal government to turn
our Constitutional Republic into another
failed socialist state.
