

CONGRESSMAN ANDY BIGGS

CONSERVATIVE REPUBLICAN (AZ-5)

CHAIRMAN, HOUSE FREEDOM CAUCUS (2019-2021)

Dear _____

As the former Chairman of the House Freedom Caucus and a current sitting member, I'm asking you for your immediate help to defend me from Big Tech.

I'm under immense attack from the Washington Swamp and the Radical Left.

Why?

Well, the Wall Street Journal puts it best:

THE WALL STREET JOURNAL.

House Freedom Caucus Emerges as Trump's Main Defender

We're proud to be the strongest force fighting against Joe Biden. We've beaten the Swamp time and time again. . . And they won't forgive or forget the fact that we were instrumental in exposing their witch hunts, sham probes, and disinformation.

And now – when our fight is just beginning – they want us GONE.

Now I don't want to waste your time, so I'll just come out and ask: **Will you help me raise money to fight back, _____?**

If so, please send **\$45** – or whatever you can – in the enclosed **Urgent Reply Envelope** within the next **72 hours**.

It's a dangerous time for freedom-lovers like you and me. And there has never been a more dangerous time for the Freedom Caucus.

My friend Dave Brat was one of our bravest and most brilliant Freedom Caucus

Paid for by Biggs for Congress.

Not paid for at taxpayer expense.

Congressmen. Then he had a couple of weak fundraising quarters in 2018.

The national Democrats, seeing an opportunity to destroy one of the most conservative Congressmen, flooded his district with ten million dollars of campaign cash.

They crushed him.

They crushed him because he was a Freedom Caucus fighter – so effective that it was worth outspending him **three-to-one** to drive him out of office.

And now they're trying to do the same thing to me.

Just recently, Twitter took down a tweet quoting me due to “Misleading COVID Information” – when I was saying the TRUTH behind why Big Pharma won't support known treatments like Ivermectin.

My friend, I'm afraid to say that's just the beginning.

One of my fellow Freedom Caucus members, Marjorie Taylor Greene, has now been permanently banned from Twitter – just like President Trump.

They hate anyone brave enough to tell the truth.

At this rate, I'm just a few steps away from **permanent censure**, too.

Now, your \$45 gift won't stop Twitter and Facebook from censoring me.

Big Tech is so radical that I'm afraid nothing can stop them.

But, your \$45 or more gift will help me spread my message around to other sources – *that Big Tech can't censor...*

Radio and television advertisements, events in my district, conservative news outlet appearances, and more.

My friend, censorship will make my campaign more expensive – but not impossible. To put it bluntly, I'm going to need to **raise more money than ever before** to defend my Arizona district from the House Democrats hell-bent to defeat me.

Without you, I'm in *serious trouble*.

I don't even want to think about what happens if we lose in these critical midterm elections. Ideas that would've been unthinkable just a few years ago – even to liberals! –

I don't want you to meet the same fate as your friend Dave Brat, who was outspent three-to-one. So, to help you defend yourself as, please find my generous donation of:

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.

have become mainstream Democrat talking points.

Open borders, “#DefundThePolice,” Critical Race Theory, national gun confiscation, and abortion-on-demand up until the second of birth.

Heck. . . do you remember when 10 out of 10 Democrat Presidential candidates raised their hands for giving free healthcare to illegal immigrants?

Democrats have proven their radical aspirations in just the first year of Joe Biden’s America. And this year, they promise to permanently change our country forever.

For once, I believe they’re not lying.

This is what sets the Freedom Caucus apart from other Republicans. Plenty of Republicans have conservative views. . . but very few understand the threat we’re facing AND are willing to fight back.

I’m willing to fight back.

But I can’t do that without your help today.

Please, can you rush back a campaign contribution of **\$45, \$75, \$100, \$250, or more?** If you can’t afford that much, then any bit helps.

Regardless of the amount, the most precious thing is time. So please, use your **Urgent Reply Envelope** within the next **72 hours**.

With the resources to fight back, I’ll be able to keep all of my focus on what matters most: defeating Joe Biden and ending his America Last mandate.

Thank you in advance for your support and patriotism.

Sincerely,

Andy Biggs
Conservative Congressman (AZ)

P.S. Democrats are mounting a full assault against me. As the former Chairman of the Freedom Caucus, I’m **Democrat Enemy #1**. Will you help me defend myself as I stop Joe Biden’s America Last nightmare with a donation of **\$45 or more?** While your gift won’t stop Big Tech from censoring me, it’ll help me spread my message in other ways that they *can’t* censor. I’m in seirous trouble if I can’t afford to campaign. Please, I’m counting on you!
