

**CONGRESSMAN ANDY BIGGS**  
**CONSERVATIVE REPUBLICAN (AZ-5)**  
**CHAIRMAN, HOUSE FREEDOM CAUCUS (2019-2021)**

Thursday Morning

Dear

Can I count on you to use the enclosed **Business Reply Envelope** to rush back this "**CONSERVATIVE PROMISE**" Reply Form?

*Promises Kept... Results Delivered.*

Normally, that's a good thing to say. *But in the case of Joe Biden, it's anything but.*

He promise to be the most radical President in history...

He promised to change the fabric of our country...

He promised to make our country weak and erase all the progress we made under President Trump.

... this was one of the first times in my life that I wished for promises to be empty.

But that wasn't the case. And the results have been *catastrophic*:

Gas and grocery bills are through the roof. Bowing to the feet of Chinese Communists and Vladimir Putin. Rampant Big Tech censorship. A media-driven culture war. Police and Border Patrol disparaged and fired. Even men competing in women's sports!

I've had enough.

I'm sure you have, too.

*Today, I'd like to invite you to stand up with me.*

**Turn over for next page.**

My name is Andy Biggs.

I'm a conservative Congressman from Arizona.

You don't have to be a Congressman like me to know that Joe Biden is pulling our country in the **wrong** direction.

Democrat radicals have turned destroying our country, our values, and our Constitution into a career.

For decades they've sequestered power in Congress, passed legislation that fundamentally changed the rules of the game, and prevented Republicans from even gaining a foothold.

**But my friend, we have the opportunity this November to end their reign - for good.**

How? I'll explain.

It's time for a new "Contract with America" - a contract that fulfills the conservative promise our nation was built on.

(That's why I've asked you to send back the enclosed **"CONSERVATIVE PROMISE" Reply Form!**)

It won't be easy - but there's only one thing we must do to make it possible...

*Reclaim Republican control of Congress.*

This year, it's about far more than just "Taking Back the House." *It's about ending Joe Biden's iron-grip on our country.*

You see, if we conservatives can win back enough Democrat-held seats - *and hold the line on every Republican-held seat* - we'll have a majority in Congress strong enough to hold up Joe Biden's agenda in the House.

And with another 3 years of the Biden Administration still ahead of us, I must be frank and say that it's our only option to ensure our country doesn't fall to ruin.

I know it seems like beating the far-Left's billionaire-backed campaign machine is a tall order to fill.

But, my friend, every movement starts somewhere.

**Today, I'm hoping you'll help me take the first step.**

**Next page, please.**

You see, as an Arizona Congressman - and the former Chairman of the House Freedom Caucus - I'm facing a difficult election that could be my most expensive one yet.

I need patriots like you to help me win my critical election, which will get us one step closer to ending Joe Biden's reign and enacting a new "Contract with America."

My friend, if I lose this election - and a liberal takes over my Arizona district - they could be the "rubber stamp" vote that solidifies the Marxist trajectory of our country.

We can't let that happen.

So please, can I count on your help today?

If yes, use this **Business Reply Envelope** to rush back the **"CONSERVATIVE PROMISE" Reply Form** so I know you're with me.

And while you're rushing that back to my campaign headquarters, would you please consider including a campaign contribution of \$35 or more?

Any amount you could include today - \$5, \$20, \$50, \$75, \$100, \$250, \$500, \$1,000, or even the maximum of \$2,900 - would be a tremendous help.

I've included this **Business Reply Envelope** for you so you can respond to this letter quickly - today, hopefully.

November will be here before we know it.

The stakes couldn't be higher.

Thank you in advance. Together we'll create a new "Contract with America" to save our nation for generations to come.

Sincerely,

  
Rep. Andy Biggs

P.S. I believe we need a new "Contract with America" - because what's happening in Washington is **not** working for Americans like you. The first step towards fulfilling conservative promises is to reclaim control of Congress. Will you help me do that today by securing a Republican victory in my critical election?

Paid for by Biggs for Congress.

**Reply on back!**

Not paid for at taxpayer expense.

**YES, ANDY!** I agree that we need a new "Contract with America." Joe Biden is pulling our country in the wrong direction, and we need to stop his agenda before it can become law.

I know that the only way to do that is to reclaim Republican control of Congress this November. I also know that the first step in doing that is to help you keep control of your seat. To help you win your critical election, please find enclosed my generous campaign contribution of:

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations, or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
