Dear Fellow Patriot,

Please give me just three minutes of your time.

I'm freshman Congressman Byron Donalds, and I'm writing to ask for your help to defend President Trump's conservative legacy by supporting my Republican campaign for reelection!

As one of America's leading black Republican elected officials, I'm proud to be a conservative constitutionalist in the mold of Supreme Court Justice Clarence Thomas.

I stepped up and ran for Congress because I was sick and tired of leftist Democrats like Nancy Pelosi and Joe Biden lying to our faces about President Trump and deriding his unprecedented record of accomplishments!

From lowering taxes and cutting regulations to help Americans get back to work, the truth is we were headed in the right direction under Trump's free-market conservative policies!

But sadly, the widespread use of mail-in voting in swing states like Pennsylvania and Wisconsin proved ripe for fraud. This allowed the Democrats and the radical mob to get their wish and force President Trump from office, putting Biden in power.

This outcome came on the heels of a four year-long liberal Democrat campaign to overturn the 2016 election results. They leveraged every agency from the FBI, to the CIA, to the FISA Court to undermine and destroy Trump and everyone around him.

Truth be told, the radical Democrats were 100% committed to thwarting President Trump's entire conservative agenda before he set foot in office! Big Tech and the corrupt media joined the conspiracy.

Now, Joe Biden, Nancy Pelosi, and the rest of the leftist Democrats are driving hard to replace his America-first policies with ones that put us dead last.

Biden barely made it through his inaugural speech talking

(over, please)

about "unity" before he started doing the bidding of Alexandria Ocasio-Cortez's socialist wing of the Democrat Party! Then...

- ✓ ...Biden killed thousands of jobs and gave a leg up to our foreign energy rivals by nixing permits for the Keystone XL Pipeline...
- ✓ ...He put our national security at risk by stopping construction of the Southern border wall, inviting 1.7 million illegal immigrants into America...
- ✓ ...And he restored the flow of taxpayer funding for radical organizations that perform abortions all the way into the 3rd trimester -- an immoral industry that targets the poor and vulnerable!

Meanwhile, in the U.S. House, Nancy Pelosi and the leftist Democrats commonly use a maneuver known as "budget reconciliation" to nearly \$4 Trillion in deficit-spending through Congress without any real attempt to pay for it!

Even Biden's call for \$800 Billion in new taxes doesn't even come close to paying for his over spending.

In reality, all these Democrats really care about is POWER. They'll walk all over us and lie to our faces if we let them.

Well, as a young 6'2", 275-pound weightlifter, I'm calling them out on it like they've never seen before!

Since winning my seat, I've quickly become a fixture on national TV channels like FOX NEWS as an engaging and outgoing Republican opponent of the leftist Democrats' agenda.

I'm invited on TV again and again because I know how to clearly and persuasively articulate our conservative viewpoint.

And every time I make an appearance, I'm projecting the new face of the Republican Party to legions of voters -- young, energetic, racially diverse, and conservative without apology!

But my efforts to promote our conservative Republican agenda on national TV is only part of my plan to become well-known and effective. The other part is to continue voting as a down-the-line conservative!

I proudly voted against Nancy Pelosi as Speaker, voted to contest the electors in Arizona and Pennsylvania, and voted against the leftist Democrats' sham impeachment of President Trump!

I've also joined the House Freedom Caucus -- a band of

(next page, please)

conservative Republicans from different backgrounds determined to aggressively counter the socialist "squad" of AOC, Rashida Tlaib, Ayanna Pressley, and Ilhan Omar.

Moreover, my assignments on the House Oversight Committee and Budget Committee mean I'm well positioned to lead the charge to expose government waste, fraud, and abuse of taxpayer money!

My friend, I'm proud to continue building what I fully intend to be simply the best, most rock-solid conservative voting record of any Member of Congress.

I'm committed to leading the way for Republicans to promote family values, defend individual freedom, protect the Second Amendment, and bolster our national security.

I firmly believe that no American should be subjected to generation after generation of government dependency thrust upon them by the failed Democrat policies. It's just plain wrong!

But with all of the above being said, being effective as a media savvy, black conservative Republican Congressman like I am is a double edged sword...

...Frankly, there's a reason why I'm only the EIGHTH black conservative Republican to serve in the U.S. House since 1935.

It's because any time a black Republican like me gets elected, the leftist Democrats and their special interest allies pepper them with negative attacks until they retire in total frustration or are defeated at the ballot box!

Case in point, I had been in office just four days when a left-wing CNN commentator publicly attacked me for not voting "like a black person should" and called on me to resign!

Fortunately, giving up isn't in my DNA.

Growing up, my wonderful mother instilled in me the bedrock Christian values that make me the man I am today. I went from growing up in poverty to earning a degree from Florida State in finance.

My mom watched with pride when President Trump praised me on national TV and saw me sworn in as a Republican Member of Congress.

Now, I'm aiming to continue making my mom proud by putting the hard work in early to win my first reelection campaign to Congress.

(over, please)

And to help me be successful, I'm asking you to please step up and support my Republican campaign today. I truly need you!

Your support for me and our shared conservative agenda truly means a lot, so please take a moment to sign your PLEDGE OF SUPPORT and return it with your most generous gift of \$2,900, \$1,000, \$500, or \$250.

Of course, if \$2,900, \$1,000, \$500, or \$250 is more than you can send right now, please know your gift of \$100, \$50, or even \$35 would still be greatly appreciated.

Whether you can contribute \$2,900, \$1,000, \$500, \$250, \$100, \$50, or \$35, I'm asking for your support to help me keep making a difference for the Republican Party and conservatives all across America!

Make no mistake, Biden and Pelosi fear black conservatives like me. They know there at least 25% of minorities who are just as morally principled, economically conservative, and supportive of President Donald Trump's free-market, America-first agenda.

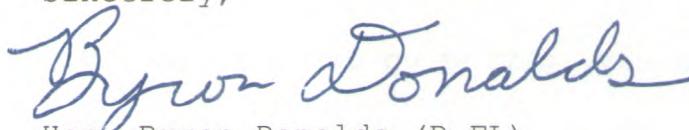

And Pelosi knows that once these minorities see me on TV, they'll realize they've been lied to their entire life about which party is truly fighting for them!

Plain and simple, my public presence threatens the Democrats!

My friend, I didn't run for Congress to take part... I ran for Congress to take over! That's why I'm asking you to join me and defend President Trump's conservative achievements today.

So please, use the enclosed return envelope to rush me your most generous gift of \$2,900, \$1,000, \$500, \$250, \$100, \$50, or \$35 payable to "Byron Donalds for Congress." Thank you!

Sincerely,

Hon. Byron Donalds (R-FL)

P.S. At 6'2" and 275 pounds, I'm delivering our Republican message straight into the TV sets of millions of voters who rarely see a strong, outspoken, black conservative like me! That's why Pelosi and the leftist Democrats would love nothing more than to see my first reelection campaign go down in flames.

To help me stand my ground and win, please sign the enclosed PLEDGE OF SUPPORT and return it with your gift of \$2,900, \$1,000, \$500, \$250, \$100, \$50, or \$35 to "Byron Donalds for Congress" today. I thank you from the bottom of my heart. God bless you for helping!
