Trump-Endorsed Primary Challenger

America First Conservative for Congress – Wyoming

Dear America First Patriot,

Whose side is Liz Cheney on?

Even before she voted to impeach President Trump . . .

Even before she fist-bumped Joe Biden . . .

And even before she signed onto Nancy Pelosi's Soviet Style January 6th commission . . .

Liz Cheney was a D.C. insider working for the establishment elite, not *We the People*.

Is it any wonder that squishy establishment like Mitt Romney, John Boehner and John Bolton are now working day and night to funnel *millions of dollars* to her campaign coffers?

Or that Wyoming Democrats are switching parties just to vote for her?

My friend, it's clear Liz Cheney long ago sold out *We the People* for her own agenda, including her obsession with Left-Wing Media hits and the Military Industrial Complex.

And it's clear that you and I must act quickly to defeat her and take back the Republican Party from people like Cheney, who've put their fealty to the power brokers in D.C. and Northern Virginia before our Republic and our Constitution.

So I must ask: Will you help my primary challenge to defeat Cheney with a \$35 or more campaign contribution?

If the answer is YES – and I truly hope it is – please rush back your *We the People Reply Form* in the enclosed pre-addressed reply envelope.

My friend, with Cheney raking in millions in elitist fundraisers, my campaign

desperately needs your financial support.

So, if you could rush your donation back in the next 3 days, know it would greatly help in this fight.

But I'm getting ahead of myself.

Before you decide to donate your hard-earned money to my campaign, let me tell you who I am and why your support in the next 3 days is so important.

My name is Harriet Hageman, and Wyoming is my home.

Growing up on a ranch outside of Ft. Laramie, I learned from an early age the values of family, faith, community, hard work, integrity, self-sufficiency, and honesty.

I tell you this because these aren't just *Wyoming* values, they're *American* values, too.

They led me on a path as a constitutional lawyer, where I proudly took on Bill Clinton's Big Government USDA. Most recently, I joined the lawsuit against Joe Biden's vaccine mandates.

That's the thing about me. I've dedicated my entire career to *fighting for the people* of Wyoming, and not caving to the agenda of the establishment elite or to the demands of the powerful in Washington, D.C.

The same can't be said for Cheney, who has used the people of Wyoming to advance her own agenda.

And ever since President Trump (whose endorsement I proudly have!) left office, she's shown more interest in carrying out *Nancy Pelosi's vendettas* than she has for standing up for the American people.

After all, Liz Cheney isn't investigating what happened in Afghanistan.

Liz Cheney isn't investigating MS-13 and our open southern border.

Liz Cheney isn't investigating Dr. Fauci and his gain-of-function research.

Liz Cheney isn't investigating any of that – because she's too busy

“investigating” Trump supporters in Nancy Pelosi’s Soviet-Style hearings!

Well, from one conservative to another, I hope you’ll join me in telling Liz Cheney that her days of serving Nancy Pelosi are coming to end.

And I hope you’ll make a \$35 or more campaign contribution so I can prevail in the Wyoming Republican Primary this August.

Over the past year, Cheney has capitalized on the media’s hatred of Donald Trump – hatred only rivaled by her own – to raise millions for her campaign war chest.

In fact, donor reports show that she even accepted tens of thousands of dollars from the left-wing *billionaire* cousin of Illinois Governor J.B. Pritzker!

My friend, I don’t know how *any* Republican can defend taking that kind of money from Democrat donors – nor can I remember a “Republican” who spends more time insulting conservatives than she does rebuking Joe Biden’s outright tyranny!

But to beat Cheney, and to stand up to Biden and Pelosi in Washington, D.C., I’ll need your help – especially your financial help.

That’s because grassroots Democrats in my state have already launched a major push to switch parties so they can vote to keep Cheney in power!

One local columnist (a self-described “socialist”) even endorsed switching parties and voting for Cheney out of her “honesty and courage.”

But you and I know there is nothing honest or courageous about working with Nancy Pelosi to expand government and clamp down on our liberties.

There are only lies and deceit.

Now, I’m counting on you to help me end that deceit.

So please, would you rush back a \$35, \$50, \$75, or \$100 gift to “Hageman for Wyoming” so I can beat Cheney and her *Democrat* supporters?

I don’t want to think about what will happen if establishment politicians and

Democrats bail Cheney out in this race.

Not only will she continue to enable Biden and Pelosi in Congress, but she'll funnel millions to the anti-Trump establishment across the country.

With so much on the line, know that if you're able to give a larger gift – such as \$500, \$1,000, or the FEC maximum \$2,900 – it will go a long way to sticking it to billionaires backing Cheney, and go a long way in helping me (and the people of Wyoming) win this race.

But no matter how much you can give, please know the most important thing is that you give. And that you do so right away – within the next 3 days.

My friend, our Republican Party is at a crossroads. *Do we go back to the days of Bush and Romney? Or do we fight for We The People like President Trump taught us?* I hope that, by rushing back your donation to beat Liz Cheney, you'll make your voice loud and clear.

Respectfully,

Harriet Hageman
America First Conservative for Congress (WY)

P.S. It's horrible to see Liz Cheney teaming up with Democrats to demonize conservatives and raise millions to back Nancy Pelosi's unconstitutional power grab in Congress. It's even worse to watch her claim she speaks for the people of Wyoming and America. No more – will you rush a \$35 or more donation to my campaign to defeat her in the Republican primary this August?
