

**MONICA DE LA CRUZ**  
CONSERVATIVE FOR CONGRESS  
RESTORING SECURITY AT OUR SOUTHERN BORDER

Dear

The countdown until November 8<sup>th</sup> is on. I can't afford to waste any time.

**Will you rush back a contribution of just \$45 in enclosed Reply Envelope to ensure I have the resources I need to WIN on election day?**

I know you're probably bombarded with campaign solicitations – but if you can only give to one campaign this year, please let me tell you why it should be mine.

It's simple -- **our southern border.**

\*\* 2/3 of our southern border is wide open.

\*\* 1.9 million illegal immigrants were apprehended at the southern border in 2021 – that's more than the population on San Antonio.

\*\* International killings of police officers reached a 20-year high in 2021.

You might be thinking this is just a Texas problem and that it doesn't impact you, but it does.

Just remember – *the Biden Administration has been secretly flying hundreds of thousands of illegal immigrants from Texas to New York in the dark of the night.*

This is an American problem. And it's going to take a conservative Texas Hispanic and daughter of legal immigrants like me to fix it.

**Can I count on you to help me?**

It shouldn't be a huge surprise that the Democrats are using open-border policy

to destroy America – because really they aren't even Democrats – they're full blown socialists.

And while what they've become and done is despicable, it's also what's giving Conservatives hope. Just take a look at this headline...

They're absolutely right. They should be worried.

As a proud Texas Hispanic whose grandmother LEGALLY immigrated to this country, I take it personally when they let illegals just flood into this country unchecked, without batting an eye.

The open-border left seems to have forgotten about Hispanics like me. They've made it clear that our sacrifices don't matter to them,

And now we're making it clear that their radical policies don't represent us.

**So will you please rush back a contribution of just \$45 in enclosed Reply Envelope to stand with me as I show the anti-American left that we will not tolerate their open border policies?**

Winning this election will take serious resources – we have to compete against endless amounts of Californian tech money and a DNC that is obsessed with keeping Hispanics under the foot of the corrupt Democrat machine.

In order to overcome the Democrat obsession with defeating me, I'm building a campaign to take on the Democrat machine and beat it.

Your generous contribution will ensure that our campaign will be able to produce the best digital strategy, deploy a large grassroots army and mobilize hundreds of volunteers to knock doors all over the district.

In fact, a \$45 gift would ensure that our message is able to reach another 70 people just in the next few days...

And reaching each of them is going to be critical to our effort...

Because our campaign isn't like most campaigns.

It's a campaign built by everyday Americans to take on the entrenched D.C

Democrats who have ignored the border crisis for generations.

It's a campaign for normal folks who are tired of self-dealing, corruption, and career politicians ripping off the public.

It's a campaign to Make America Great Again and take back control of the nation we cherish as citizens of a sovereign nation.

So, can I count on your support today? Will you help me take back Congress with a \$35 donation to **Monica for Congress** in the next 48 hours?

And if you're in a position to send a larger gift – say \$50, \$100, \$250, or even up to the FEC maximum of \$2,900 – it would go a long way toward beating the Democrats right here on their own turf.

But whatever amount you're able to give will be a huge help. The most important thing is that I hear from you right away.

It's time for the American people to show Nancy Pelosi's Democrats what America First values are. Let's send a message to Washington D.C that their time in charge is over and that Americans demand a secure southern border.

Thank you for taking the time to read my letter,

Monica De La Cruz  
Hispanic Texan  
Conservative for Congress

PS: If you're content with the open border policy currently wreaking havoc on our nation, then I'm probably not the candidate for you. But if you're ready to see law and order restored to America's southern border, then I hope I can count on you to step up and help me. Because defeating the most radical Democratic party in history is going to take serious resources – especially when they've become hellbent on silencing conservative Hispanics like me. Your donation of just \$45 could be the difference between the Texas that we know and love, and a full blown socialist wasteland. I hope you'll make the right choice. Thank you for your time, thank you for reading this letter, and I hope to hear from you soon.
