

CONGRESSMAN JIM JORDAN

Representing the Fourth District of Ohio

Dear Fellow Conservative,

As I am sure you are aware, we are about to see a **RED WAVE** roll across our great nation.

Just look at the recent elections in Virginia that were HUGE victories for conservatives! When the dust settled and ALL the votes were counted, Virginia elected:

- ✓ A Republican rising star in Governor-elect Glenn Youngkin;
- ✓ The first elected female African American Lieutenant Governor in Republican Winsome Sears;
- ✓ A young Latino Republican Attorney General in Jason Miyares; and
- ✓ Gained Republican majority in the Virginia House of Delegates.

Make no mistake, these are HUGE victories for conservatives — not just in Virginia, but across the nation. Because, if conservatives can win so convincingly in a blue state like Virginia, we can win in race after race across the country.

And that has the radical left absolutely terrified!

Of course, in the wake of their losses, there were the usual race baiters with “the boy who cried wolf” calls of racism (especially laughable given 2 of the 3 top contests in Virginia were won by minorities... but Democrats have no shame).

And, there were the accusations by the likes of Barack Obama, who accused Republicans of creating a “fake culture war” for daring to encourage parental involvement in education. Of course, the fact that Obama literally ran on the fake culture war rallying cry of “War on Women” was deeply hypocritical.

The truth is that the conservative message resonated with voters! Voters were sick and tired of the Democrat arrogance, their unending wokeism, their authoritarian overreach, their love of endless tax increases and their willingness to fundamentally change what makes America truly great.

However, MAKE NO MISTAKE: while the Democrats were SHOCKED at their losses, they will not take this sitting down. Instead, they are going to use every trick in the book to take every single congressional seat that they think has a SLIGHT chance of turning blue.

That is why I am writing you today.

over, please ...

We have been effectively fighting back against the radical left in Congress, *and there is nothing they would love more than to get me out of their way.*

With the inept Biden administration in the White House, it has been an uphill battle. **Radical progressives in Congress have been emboldened to show their true colors** and push their radical agenda with **DISASTROUS** results. Their agenda includes:

- X UNCONSTITUTIONAL MANDATES**
- X CRITICAL RACE THEORY IN SCHOOLS**
- X TAKING AWAY PARENTS' CONTROL OVER THEIR CHILDREN'S EDUCATION**
- X WEAPONIZING THE DEPARTMENT OF JUSTICE AGAINST PARENTS**
- X UNCONTROLLABLE INFLATION**
- X MASSIVE TAX INCREASES**
- X ABANDONMENT OF AMERICAN ALLIES AND ASSETS IN AFGHANISTAN**
- X AN OPEN SOUTHERN BORDER, AND EVEN...**
- X A PLAN GIVING \$450,000 TO ILLEGAL IMMIGRANTS SUBJECT TO THE ENFORCEMENT OF OUR LAWS AND POLICIES.**

With how terrible this Biden administration has been, it is no wonder that the Democrats want you to “lower your expectations.”

Yes, you read that correctly. The Democrats have asked Americans to LOWER THEIR EXPECTATIONS... to settle for average... to strive for mediocrity. The Trump-hating *Washington Post* even ran an Op-Ed that our expectations were too high, while calling Americans “pampered,” “catered to,” “whiners,” “on the verge of throwing a fit,” in need of a “chill pill.”

That, in a nutshell, is the view of Democrats. Americans **MUST** settle. We **MUST** no longer strive for greatness. We **MUST** accept mediocrity. We **MUST** be... average. I reject that mentality!

George Washington didn't lower expectations in 1776.

The Wright Brothers didn't lower expectations.

The 1980 USA Olympic hockey team didn't lower expectations against the Russians.

Democrats want you to settle for less, but **Americans don't accept mediocrity.** Donald Trump implored Americans to “Make America Great Again!” President Biden wants to “Make America Average Again.”

This is why I fight!

We speak for every TRUE conservative member of Congress when saying we are fighting this agenda with EVERYTHING that we have at our disposal.

- ✓ **Against the Democrats Open Border policies:** This includes pushing back against their attempts to include amnesty for illegal aliens in the spending bills they are pushing forward.
- ✓ **Against Nancy Pelosi's Partisan Power Grabs/Mandates in Congress:** Within the halls of Congress, Nancy Pelosi has exploited the COVID-19 pandemic to stretch her authoritarian streak by requiring all lawmakers and staffers bend to her whims and desires. We have fought her ridiculous mandates at every turn. They are all about her asserting power over individuals and NOTHING to do with public health or safety.
- ✓ **Against ANY spending bill that includes funding for racist Critical Race Theory (CRT) programs:** CRT and insidious liberal philosophy think that America is a fundamentally racist country and that individuals are racist and oppressive simply by virtue of their race. It defies Martin Luther King's admonition to judge a man not by the color of his skin but by the "content of his character."
- ✓ **FOR our Armed Forces and National Security:** Joe Biden significantly weakened national security when he abandoned our friends in Afghanistan with his ill-planned and ill-timed pullout from the country. Because of this POOR decision and planning, it is undeniable that friends of America will be killed/punished while the Taliban and ISIS will grow into a HUGE threat to our country.
- ✓ **FOR Freedom, Liberty and Justice for ALL:** Americans want less government intrusion, less onerous taxation, MORE freedom and more liberty.

The bottom line is we need strong and powerful TRUE conservative voices in Congress to fight against the radical progressive agenda, and FOR freedom and prosperity.

It is because of the generous support from folks like YOU that I have the privilege to fight for all Americans across the country. However, the Democrats are already targeting conservatives like me because we are fighting back against their radical agenda.

You see, **Democrats are going to be fighting harder than ever to defeat me specifically BECAUSE I have DARED to stand up to them in Congress.**

And I need your help.

In 2020, we saw what the radical progressive money machine is capable of. Democrats have the personal fortunes of billionaires like George Soros and the Hollywood elite at their disposal to throw into campaigns all around the country.

Conservatives like me do not have that kind of luxury. We do not have access to the pocketbooks of billionaire megadonors.

We count on everyday Americans like you for support and that is just the way I like it!

The Democrats are going to throw everything they have at me in this year's midterm election, and **I need to know if I can count on your support.**

The 2022 midterm election is going to be one of the hardest fought elections in recent memory. It is also turning into a GREAT opportunity for true conservatives to take back the House of Representatives and the Senate and put a STOP to the radical progressive Biden agenda.

And if voters can turn Virginia from a blue state to a red state in just one election, we can turn Congress from blue to red in just one election!

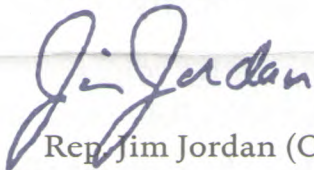

So, because we need every dollar we can raise TODAY to impact the 2022 races TOMORROW... I'm asking that you rush back a donation of \$50 today.

In fact, because time is short, I would implore you to make an even larger impact by rushing back support in the amount of \$75, \$100, \$250 or more today (on up to the maximum allowable contribution of \$2,900 per individual or \$5,800 per couple).

Whatever you do, please do not put down this letter without first making a donation of \$35.

So, before you get busy with other things, I implore you to take a moment to use the enclosed pre-addressed reply envelope to rush back your donation of \$35, \$50, \$75, \$100, \$250 or more without delay. Take a stand with me in 2022 and let's put a stop to the radical Biden agenda.

For Freedom!

Rep. Jim Jordan (OH-4)

P.S. The election results in (formerly) blue state Virginia PROVE that we are about to see a RED WAVE roll across our great nation, And the radical left is terrified of losing power in the coming election season. I have been fighting back against the radical left in Congress, and there is nothing they would love more than to get me out of their way. And that is why I need your help. So, please, don't delay... show your support for my campaign by rushing back your donation of \$35, \$50, \$75, \$100, \$250 or more (on up to the maximum allowable contribution of \$2,900 per individual or \$5,800 per couple).
