*Citizen's Demand To*  
**IMPEACH JOE BIDEN**

March 17, 2022

Dear \_\_\_\_\_

157868

Joe Biden must be impeached.

His botched withdrawal from Afghanistan is the proverbial straw that broke the camel's back.

Not only did he lay out the welcome mat for terrorists...he abandoned U.S. citizens behind enemy lines.

America is less safe because Joe Biden sits in the Oval Office.

Will you sign your **CITIZEN'S DEMAND TO IMPEACH JOE BIDEN** before this President creates another crisis?

I've enclosed your DEMAND – addressed to Rep. Julia Letlow – with your name already printed on it.

I trust you'll sign it and return it to me in the next 3 days.

It's clear that the risk is simply too great to wait for – and hope for – a conservative majority in Congress that might hold Biden in check a year from now.

He surrendered military grade weapons and the passport information of private U.S. citizens to the Taliban. He created a safe-haven for al-Qaeda in Afghanistan. And his botched withdrawal left 13 American service members dead.

In a phone call he told the then Afghan President to lie about the strength of the Taliban, and he left untold scores of Americans behind enemy lines.

“Dereliction of Duty” as Commander in Chief is the Constitutional high Crime for which President Biden must be impeached.

Make no mistake about it: the disaster in Afghanistan was created by Mr. Biden

and no one else.

We cannot allow the Democrats to let him off the hook.

Biden may be a puppet of The Squad. He may be taking orders from his handlers. Maybe he's even impaired.

But the President is the one person actively putting Americans – like you and your family – at risk.

And the buck must stop with the Commander-in-Chief.

+++ It was Joe Biden who gave the Taliban their own country – a launching pad for terrorism.

+++ It was Joe Biden who left **BILLIONS** in American equipment for them to use against us.

+++ And it was Joe Biden who told the world:

“We’re staying until we get all Americans out.”

He abandoned our allies. Our fellow citizens are stranded.

And 13 of our heroic members of the military are dead.

**His dereliction of duty is an impeachable offense.**

This President is a disgrace and a national security threat.

He's not fit for office, but as things stand right now, the only Constitutional way to hold him accountable is to begin impeachment proceedings.

It's not enough for those of us who love our country to shake our heads, yell at the television, and argue on social media.

We must act now to build the ground swell of public and congressional support needed to remove Joe Biden from office.

It's up to our Representatives to begin the impeachment process in Congress.

And it's up to patriots like you and me to make sure our Representatives do their job.

If you agree, then sign your personal **CITIZEN'S DEMAND TO IMPEACH JOE BIDEN** – addressed to your Member of Congress – and use the envelope I've included to rush it back to me.

We can't trust politicians to take action simply because it's the right thing to do.

So it's going to take a tsunami of **IMPEACHMENT DEMANDS** from voters across our country to help remove Joe Biden from the White House.

The good news is I'm writing to you today as President of Citizens United on behalf of our Stop the Biden Agenda project...

...Citizens United is a national grassroots organization dedicated to restoring citizen control of our government – just like our Founders envisioned.

Our members take pride in returning America to her roots of traditional values and limited government.

You may recall our Freedom Summits that gave aspiring conservative leaders a platform before the 2016 election – and we saw one of those speakers, Donald J. Trump become President of the United States.

Now those patriots that make up the nationwide Citizens United network are as outraged as you and I are about what Joe Biden has done to our country in just a few short months.

This push to **IMPEACH JOE BIDEN** is so urgent and necessary that I am counting on you to respond in the next 48 hours.

When you use the postage-paid envelope to return your signed **CITIZEN'S DEMAND TO IMPEACH JOE BIDEN**, please consider including a one-time contribution of \$46 to join Citizens United as a member.

That's \$46 to **IMPEACH** Joe Biden – our 46th President.

Not only will your \$46 check help Citizens United produce ads, op-eds, petition drives, and expose the radical Biden-Harris Agenda with our latest project, [StopBidenAgenda.com](http://StopBidenAgenda.com)...

...your \$46 gift will allow me to print and circulate as many as 60 more **DEMANDS TO IMPEACH JOE BIDEN**.

And as a patriot who truly understands the danger we're facing, perhaps you would consider increasing the amount of your contribution to \$100, \$500, \$1,000 or more.

By sending a larger amount now, you'll be multiplying your impact today by helping flood the desk of Rep. Julia Letlow and other members of Congress with stacks of signed **DEMANDS TO IMPEACH** from citizens like you.

No matter the amount, the most important thing is that I receive your own signed **DEMAND** in the next 3 days.

I've already printed your name on it. And I'm taking the risk of paying for your return postage. That's how important this is.

Now I'm counting on your **CITIZEN'S DEMAND TO IMPEACH JOE BIDEN** – and your urgent contribution – to fuel the movement that holds President Biden accountable.

I'll be watching out for your reply.

For America,

David Bossie, President  
Citizens United

**P.S.** At a time when the President is actively trying to transform the nation we know and love into a socialist state, I want to say thank you – in advance – for all you're doing to defend our great country and the values we believe in. I hope today that includes signing and returning your **CITIZEN'S DEMAND TO IMPEACH JOE BIDEN**.

There's never been a more crucial time for your Representative to hear from you – and your reply deserves to be at the top of the stack when I deliver a flood of **DEMANDS** to Congress. Simply drop it in the mail in your postage-paid envelope. I'll take it from there.

# *Citizen's Demand To* **IMPEACH JOE BIDEN**

“The President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or for other high Crimes and Misdemeanors.”

*U.S. Constitution: Article II, Section 4*

To: Representative Julia Letlow

Dereliction of Duty as Commander in Chief for willfully stranding American citizens and allies behind enemy lines in Afghanistan is a high Crime. That is not the American way. For giving our enemy BILLIONS of dollars in state-of-the-art U.S. weapons, for the needless deaths of 13 brave service men and women, and for abandoning our citizens and allies to Islamist terrorists and extremists...

**... as my Representative in Congress, I DEMAND YOU VOTE TO IMPEACH PRESIDENT JOE BIDEN IMMEDIATELY.**

If you refuse to hold Mr. Biden accountable, I will assume, by your silence, that you are complicit in the high Crimes he has committed. Therefore, I will be watching closely for your response to this DEMAND.

For Honor, Security, & Accountability,
