

DISMANTLE THE DEEP STATE PLEDGE

September 23, 2022

Dear

Please rush me back your enclosed Dismantle the Deep State Pledge in the next 48 hours to defund the Left's personal Gestapo – and save America.

My name is Marjorie Taylor Greene.

And I'm in Congress for one simple reason:

To protect YOU from the Deep State's abusive power, institutions, and agencies.

If you follow the news, you know that the Biden Administration doesn't care about out-of-control inflation, wide open borders, the illegal traffic of deadly fentanyl, human trafficking, or rising crime.

And why would they?

That's how **Globalists** enrich themselves at *your* expense.

And the only thing in their way are America First conservatives like you, me, and President Trump.

That's why they're *hellbent* on one thing...

Using the Deep State to CRUSH their political enemies.

Paid for by Greene for Congress

Not paid for at taxpayer expense.

I've made it my mission to fight against this anti-American CANCER.

And I've done it for you and for freedom-loving patriots all over this great country.

But the Deep State always gets its revenge.

Helped by their **Fake News Media** allies – they've attacked me with vile smears, removed me from all committee positions, and even tried to prevent my name from being on the Georgia ballot!

Now, you're the only thing that will keep me in the fight against this *satanic* clown show.

Right now is a **dangerous time** for anyone – you, me, and the countless other American patriots who fight for freedom and democracy.

Our Founders could NEVER have imagined a CORRUPT DOJ would approve a ROGUE FBI RAID on the home of a former president.

They NEVER would believe that Deep State rags like the *New York Times* and *Washington Post* would force-feed propaganda like the Russian Collusion HOAX to Americans.

And they would've considered the use of \$80 billion of YOUR tax dollars to hire 87,000 ARMED IRS agents as *grounds for REVOLUTION*.

It's a **violation** of our laws. It's a **violation** of our Constitution. It's a **violation** of who we are as Americans.

But now the Deep State has become even bolder. Because they were never after President Trump or even me.

They're after those we *represent*.

And we represent YOU.

That's why in addition to your pledge to help me Dismantle the Deep State, I hope I can count on you to rush back a generous donation of \$35 or more to "Greene for Congress."

Your signature and donation are essential if I'm going to have any chance of rallying the Republican Party to DISMANTLE and DEFUND the Deep State before it's too late.

You know a majority in Congress won't matter if we don't *gut* these institutions and DRAIN the swamp once and for all.

But the truth is...if I'm out fundraising for re-election this November...

...I won't have the time to fight for you in DC.

And I've got some BIG plans. Serving Articles of Impeachment to Joe Biden and Merrick Garland is *just the beginning*.

If Republicans take the majority this November, I'll finally be able to serve on the Judiciary Committee *and* the Oversight Committee.

That means I'll be able to go after these Deep State parasites and even defund rogue agencies like the **FBI, CIA, and IRS**.

Your support makes that easier. I can focus on standing up for you against the Globalists instead of fighting off the Left's attempts to get me out of office.

The Deep State will use everything in their power – **Big Tech, Fake News Media**, and *corrupt agencies* like the **FBI and DOJ** – to continue to attack me.

So, any gift – from \$35, \$50, \$100, \$250, or even all the way up to the FEC limit of \$2,900 – really is *critical* to help me hold onto my seat in Georgia.

It's so important that I hear back from you that I've even included a **pre-addressed reply envelope** so that all you need to do is find a stamp and put the reply in the mail.

Because if we don't Dismantle the Deep State...if Republicans win a

majority in November and *do nothing* with it...

They *will* come after YOU someday.

Maybe it will be the IRS nickel-and-diming you to pay for their forever wars.

Maybe it will be CPS refusing to return your kids because you don't believe in transgender grooming.

Or maybe it will be the FBI because you used your GOD-GIVEN NATURAL RIGHT to protest that day on January 6.

No America First conservative will be safe from these terrifying government agencies.

If we want to avoid this Soviet nightmare, I'll need your help.

So please let me know I have your support with your signature and donation by returning your Dismantle the Deep State Citizen Pledge within the next 48 hours.

Thank you in advance for your generosity and patriotism. God bless you, and God bless America!

Sincerely,

Marjorie Taylor Greene

P.S. The Deep State will do everything they can to take out their enemies – America First patriots like you, me, and President Donald Trump. They send their enforcement agencies like the FBI and the IRS to persecute conservatives. You and I have to fight against this witch-hunt before it's too late. Will you help me Dismantle the Deep State with a generous donation of \$35 or more today?
