

Marjorie Taylor Greene

UNITED STATES CONGRESSWOMAN

Dear

Ohio has a wide-open U.S. Senate seat and it's vital that we choose not just a Republican, but the right Republican.

I'm proud to tell you that I'm all-in for JD Vance. JD is the conservative warrior that our America First movement needs fighting for us in the U.S. Senate, and that's why I'm proud to support him.

He's a conservative but not just any conservative: He's a warrior. He's an outsider but not just any outsider. JD Vance is bold and brave, determined and driven. He's not just going to rattle the Washington Establishment; he's going to help me dismantle it brick-by-brick.

If you agree that America desperately needs someone like JD Vance leading the charge in the United States Senate, then it's vital folks like you in Louisiana and all across this great country rush a generous contribution of \$25, \$35, \$50, \$100, \$250, \$500 or more – up to the legal maximum of \$5,800 per person to his campaign headquarters today.

The D.C. insiders want anybody but JD Vance. That's maybe the most important thing you need to know about him.

That's why an unholy alliance of Far-Left radicals, socialist extremists, woke tyrants, and Big Tech oligarchs have already spent millions of dollars attacking him, lying about him, and even questioning the principles you and I hold dear.

They love shipping American jobs overseas in exchange for cheap foreign slave labor. They support Biden vaccine and mask mandates that defy commonsense. They willingly give power to Big Tech, so they can censor your views because it doesn't fit with their woke agenda. Their only loyalty is to the accumulation of power.

The end result of their policies will create millions of new government dependents who will always vote Democrat.

Who'll stand up for "We the People?" **JD Vance will.**

As you know, Twitter has censored me...and President Trump...so I'm writing to you personally by letter. JD Vance needs your help to win, and this country needs JD Vance's help

to Save America from the Far-Left-Wing mob.

Every single day, left-wing radicals and corporate oligarchs are working to undermine our God-given rights, destroy traditional American values, and force us all to live under their woke authoritarianism. It's time to start electing strong conservatives like JD, who put People over Politicians and understand exactly what we're up against, and don't just talk a good game on cable news, but who actually have the courage to fight back against the radical left to save America and stop Communism.

The more I get to know JD, the more I'm convinced we'll be an unstoppable force for freedom, opportunity, and the concept of personal responsibility that naturally comes with it.

Right now, JD is locked in a tight primary, consisting of a bunch of establishment Republicans who, in my opinion, won't be much better than electing a Democrat.

Will you join me in supporting JD Vance with a personal donation of \$25, \$35, \$50, \$100, \$250, \$500, \$1,000 or more to help me prevent that catastrophe-in-the-making?

Like you, I'm disgusted by what the Biden-Pelosi-Schumer-Squad, Big Tech, Hollywood Elite, socialist crazies are doing to our beloved nation.

The freedoms we've depended on for nearly 250-years are under constant attack. Freedom of speech!! Right to keep and bear arms!! The sanctity of life!! National sovereignty with secure borders!! The rule of law!! Free enterprise!!

In his acceptance speech to the Republican National Convention in 2016, Donald Trump spoke these prophetic words: *"We must choose to believe in America. History is watching us now. It's waiting to see if we will rise to the occasion, and if we will show the whole world that America is still free and independent and strong."*

Let's rise to the occasion and help lift JD to victory, so we can finish the challenge that President Trump started. Please be generous, and know that I wouldn't ask for your help if I didn't believe in JD and give him my complete and unequivocal endorsement.

God Bless You for Always Putting America First,

Marjorie Taylor Greene

Patriot. Conservative. Outsider. Warrior.

P.S. The "insiders" want you to ignore this letter. The milquetoast moderates hope you set it aside and never come back to it. The America Last Liberals hate you, JD Vance and me and everything we stand for. The Big Tech Titans wish they had the power to intercept this letter and put it through the shredder. Let's take a stand together and show them what we're really made of. **Write your check to JD Vance's campaign for \$25, \$35, \$50, \$100, \$250, \$500, \$1,000 or more today.**
