

SHERIFF TROY E. NEHLS
CONGRESSMAN (R-TX)
TWO-TIME BRONZE STAR RECIPIENT (U.S. ARMY)

Early Wednesday Morning

Dear _____

Please grab a pen and mark "YES" on your **PATRIOTS AREN'T CRIMINALS** reply form in the next 48 hours.

If you saw me on Tucker, you know that Pelosi's Capitol Hill Police illegally broke into my office to spy on me.

Why?

Because I've been a vocal critic of her weaponizing federal law enforcement -- and I questioned why the case of Lieutenant Byrd killing Ashli Babbitt on January 6th was never sent to a grand jury.

If Pelosi's spying on me, an elected official, think of what she's doing to you.

It shouldn't be controversial to say that holding U.S. citizens in secret prisons, and demonizing 75 million of us, is un-American.

But today, if you disagree with Pelosi and the Democrats' narrative, you're an enemy of the state and you need to be destroyed.

Well, I say bring it on.

November 8th is Election Day, and with your help, and the help of our Texas neighbors, it will be **a day of reckoning** for Pelosi, and Joe Biden.

I say "your" help because I'm running for re-election in Houston's suburbs against a radical leftist and I need you on my team to keep the momentum.

Paid for by Nehls for Congress

Not paid for at taxpayer's expense.

Since Pelosi is unleashing her secret police on me, there's no telling what she'll do to defeat me and like-minded Patriots this November.

So in addition to your **PATRIOTS AREN'T CRIMINALS** reply form, please rush back a generous campaign gift of \$35 right away.

I'm Sheriff Troy Nehls.

Before I was in Congress, I was the Sheriff of Fort Bend County where I locked up criminals bringing drugs and violence to our streets.

I'm a two-time Bronze Star recipient from my time in the US Army. I served for 21 years -- earning the rank of Major and leading our troops into combat in Iraq and Afghanistan.

My whole life, I've done my best to follow my father's example -- he was a Korean War hero and distinguished service cross recipient.

It pains me to think of how horrified he would be to know that after fighting Communists in the Korean War, Pelosi and Biden have set up their own personal NKVD (Secret Police) here at home.

Tucker Carlson put it best when I was on his show:

“SINCE JANUARY 6TH, THE CAPITOL HILL POLICE FORCE HAS BEEN SUBVERTED BY NANCY PELOSI AND JOE BIDEN TO BECOME A KIND OF SECRET POLICE FORCE THAT ACTS ON BEHALF OF THE DEMOCRATIC PARTY.”

It's bad enough that Pelosi could unleash her private police on anyone who disagrees with her at any moment -- you and me included.

But to be blunt...

It's even worse that Pelosi's doing it to silence dissenters so that nothing stops Democrats from holding power **forever**.

Pelosi's Capitol Police broke into my office, took pictures of confidential legislative materials, and interrogated my staff based on plans I had to hold them accountable.

Let me tell you, if they're spying on me, they're spying on you.

I won't stand for it, and I hope you won't either.

So, again, this November is our chance to break up the Democrats' one-party rule in Washington DC.

There's a saying that Democrats never lose an election that's close enough for them to steal.

Make no mistake, Nancy Pelosi, and Joe Biden really like controlling you and how you live -- but if we out-work, out-smart, and out-raise them we'll win in a blow-out.

So, please help me DESTROY their one-party rule in Washington.

Just grab a pen and mark "YES" on your **PATRIOTS AREN'T CRIMINALS** reply form and rush back a generous campaign gift of \$35 in the next 48 hours.

In 2020, my opponent outraised me by close to \$5 million -- but thanks to patriots like you I won.

And so, if you are able, please rush back a larger gift of \$50, \$100, \$250, \$500, up to the legal limit of \$2,900.

Thank you for joining my team today. Together we'll DESTROY Pelosi's House majority and restore sanity to Washington.

For Freedom,

Sheriff Troy Nehls
Congressman (TX-22)

P.S. Pelosi's Capitol Police broke into my office, took pictures of confidential legislative materials, and interrogated my staff illegally. Then they lied about it and got away with it.

Let me tell you, if Republicans had the majority, MSNBC and CNN would treat this like a bigger scandal than their fabricated Trump and Russia Collusion hoax.

It's time to restore sanity in Washington, and I need your help, and the help of our Texas neighbors to do it. But, to win my seat while Pelosi's using federal law enforcement to intimidate and destroy me, I need you in my corner.

Please rush back a generous \$35 campaign contribution today to help me defeat my opponent and destroy the Democrats' one-party rule.

Neither military info, nor photographs of Troy in uniform imply endorsement of Nehls for Congress by the Department of Defense or their particular Military Departments.

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
