Hon. Victoria Spartz (R-IN)  
U.S. CONGRESSWOMAN

I've Seen Socialism First-Hand  
We Must Stop Biden, AOC and Bernie  
Immediate Reply Requested

Dear Fellow Patriot,

We've known all along that Joe Biden would be a weak President.

But the fact is, he's little more than a puppet for the extreme socialists in Congress. It's no secret in Washington, Bernie Sanders and AOC are pulling his strings.

It is time we cut those strings, and a Republican House Majority is just what we need to do it.

I'm writing you today because holding my competitive Indiana seat in Congress is an essential step in getting to the 218 Republican votes we need to win the majority.

My name is Victoria Spartz. I'm an energetic, tough, and hard-working freshman Congresswoman who made history as the first member of Congress born in Soviet-controlled Ukraine.

I know first-hand what a totalitarian regime is like.

That's why every day in the U.S. Congress, I am outright stunned by Bernie Sanders, AOC, and the rest of the American Bolshevik Left's obsession with communism and socialism...

...It's as if Democrats have NO idea these failed ideologies have only plunged nations into despair and ruin!

Big-Government command and control has never been the solution and it NEVER will be.

So when people ask me, "What is socialism?" and, "Why do you so strongly believe in protecting individual rights?" I tell them about my childhood and the stories my grandfather told me about earlier times:

- ✓ ...My family was forced to abandon their farm as Soviet leaders stole grain and goods and consolidated private property into forced collective farms.
- ✓ ...My family resorted to eating potato peels during the Soviet-caused famine in 1932.

(Over, please)

✓ ...My father died when I was a child because free socialist medical care for all meant no good medical care for anyone...

THAT is socialism in reality!

As a child growing up in Ukraine under the yoke of Soviet socialism, I dreamed about America and what she stood for...

...a bustling, vibrant, innovative, and beautiful place where people were truly free.

I wanted to learn more about free market economics and business, so I pursued a bachelor's degree in international economics and a master's degree in business administration from Kyiv National Economic University.

Then during college, while on a train in Europe, I met Jason, a born and raised Hoosier and the man who would become my wonderful husband!

From the moment I moved to the U.S., I pursued my passion for business, finance, and free markets.

I became a proud LEGAL citizen and worked my way up from bank teller to CPA to finance executive and business owner.

⇒ I am living proof not just of the American Dream - but also how much superior our American Dream is when compared to the failed promises of socialism! ←

But as I grew my business and notched more success, I saw how -- even in America -- government often stood in the way. Government was too big, too intrusive, often ineffective, and seldom justified!

Our two daughters inspired me to get involved in politics. I wanted to demonstrate to them the importance of demanding accountability in government.

I brought them to local Republican meetings where I learned I could make a real difference as a citizen and especially as a legal immigrant who lived under the thumb of Soviet Socialists.

So as a total political newcomer at 38 years old, I entered the arena and made a splash becoming an Indiana State Senator!

I hosted public Town Halls, chaired the powerful Audit Committee, and earned the nickname "Iron Lady" from Indiana Republicans for my conservative voting record.

(Next page, please)

And when the Congresswoman representing Indiana's 5<sup>th</sup> Congressional District announced her retirement, I entered the race's hotly contested 14-way primary and won in a landslide!

Although I was armed with endorsements from our local Police, Indiana's Right to Life, the NRA, pro-business organizations and more, I narrowly defeated my Elizabeth Warren-endorsed liberal opponent by just 4.1% of the vote!

In my campaign for Congress, I vowed to faithfully protect the American Dream for every family and our future generations.

But friend, I truly fear Joe Biden and the socialists in Congress are taking us down the wrong path. Our government is looking a lot like what I saw as a kid growing up...

...The FBI using warrantless surveillance,

...The DOJ intimidating parents at School Board Meetings,

...The IRS acting as a data collector for bad acting bureaucrats, going so far as to suggest requiring facial identification to file tax returns!

Not only is Joe Biden using the heavy hand of government to enforce a totalitarian surveillance state, but he's also deputized the most radical politicians of his Party to write the federal budget!

Bernie Sanders' advisor even boasted that Bernie Sanders himself authored Biden's \$4 Trillion "Build Back Better" budget!

Biden's reckless spending sprees and grab bags of ultra-liberal pipe dreams are sending prices for basic necessities through the roof, pouring kerosene on skyrocketing inflation, and hurting hard-working everyday Americans the most.

Like you, I have had enough! I ran for office to expose the evils of socialist policies that crush our economy and rob us of our freedoms.

I'm holding Biden and the rest of the new American Bolshevik Left accountable by going on FOX News, CNN, and more to expose how their spending binges risk sending us past a point of no return!

But my work has made me the target of powerful opponents, so I'm personally asking for your help today.

National Democrats named Indiana's 5<sup>th</sup> Congressional District a "District in Play" which makes me a target for Nancy

(Over, please)

Pelosi's money machine.

I hope I can count on you to stand with me as I hold the line against the rapid advance of socialism in America. Please join me by making your most generous gift of \$50, \$75, or \$100 to "Victoria Spartz for Congress" today.

As a CPA I cringed when we depleted our campaign account, but I know spending every cent of the \$3 Million I raised was what we had to do to win! (My Democrat opponent outspent me by \$1 Million!)

You can see why I must humbly ask you to help by rushing your most generous gift of \$50, \$75, or \$100 to "Victoria Spartz for Congress" today!

I know firsthand Ronald Reagan was right when he said, "Freedom is never more than one generation away from extinction." That's why I expose Democrats who want to transform our country into a totalitarian regime like the one I knew all too well growing up in Ukraine.

Please consider rushing your most generous gift of \$50, \$75, or \$100 to "Victoria Spartz for Congress"! And if you find yourself in a position to do even more to help, your best gift of \$250, \$500, \$1,000, or the legal maximum gift of \$2,900 will help me prepare for anything.

Thank you for reading my letter and for your support. May God bless you and may God bless the United States of America!

Sincerely,

  
Victoria Spartz (R-IN)  
Member of Congress

P.S. I was born under a totalitarian regime and I'm alarmed by how quickly Joe Biden's socialist policies are taking America down the same path to economic ruin. As a proud LEGAL citizen who was blessed to realize my own American Dream, I am 100% committed to fight every day to protect the American Dream for you and for generations to come!

But by fighting this fight, I've made powerful enemies of Nancy Pelosi and her allies. They're coming after me this election and I need your help to continue my fight in Congress. Please rush your most generous gift of \$2,900, \$2,000, \$1,000, \$500, \$250, \$100, \$75, or \$50 to "Victoria Spartz for Congress" today! Thank you so much!!
