

REP. YVETTE HERRELL

America First Congresswoman – NM
House Freedom Caucus Member

Dear _____

My name is Yvette Herrell.

I'm the America First conservative Congresswoman representing New Mexico's 2nd District – *one of the most competitive districts in the country.*

you may have seen me on *Tucker Carlson Tonight* or on Newsmax.

But I didn't write you this letter to talk about my recent news appearances...

I'm writing to you today because I desperately need your help to keep my seat in Congress.

That's why I hope you'll rush back your *Defend Yvette Herrell* urgent reply along with a \$35 donation right away.

Please forgive me for being so blunt, but the deck is stacked against me and I'm running out of time.

You see, in the last election, after a hard-fought and grueling campaign where I was outspent by 3-to-1, I managed to defeat the Democrat incumbent and flip this seat from blue to red.

And ever since then, Democrats have been determined to make my first term in Congress, my last.

Now they're using every dirty trick in the book to try to unseat me – they even redrew the district to go from "*lean Republican*" to "*lean Democrat!*"

Paid for by Yvette4Congress.

Not paid for at taxpayer expense.

That means not only are we in danger of losing my America First vote in Congress, but our chance to win back the House majority is at risk.

Friend, our country will not survive another two years of this madness.

You and I knew the Democrats' socialist policies would weaken America and jeopardize our way of life.

But what's most alarming is how FAST they're doing it.

Just a short time ago our country was thriving...

Under President Trump we saw how the America First agenda of low taxes, fair trade, border security, and cheap energy improved the lives of so many Americans.

But we also saw how President Trump's successes exposed the corruption of the Swamp – from “woke” corporations and Big Pharma, to the establishment politicians and the corrupt leftwing media.

And since my election to Congress a little over a year ago – when I first flipped this seat from blue to red – I've seen firsthand how difficult it is to be an America First Republican.

Especially when you're fighting to stop the:

- Drugs and illegal immigrants pouring across our border.
- Attacks on our energy industry and our economy.
- Out-of-control spending that's caused record inflation.
- Unconstitutional and immoral vaccine and mask mandates.
- Marxist indoctrination in our schools and military.

Friend, I was invited to appear on Tucker Carlson's show because I'm one of the few Republicans in Congress who is fighting every single day to stop Joe Biden and the Democrats' destruction of our country.

That's why the Democrats will stop at nothing to unseat me.

But the Democrats' arrogance with this new district map will cost them dearly.

You see, most recent polls show, for the first time in American history,

Republicans have a double-digit advantage heading into the midterm elections.

Democrats are losing ground while Republicans are making huge gains across every demographic.

That kind of historic momentum means I can keep this seat RED despite the Democrats' corrupt redistricting!

But it won't be easy – and it won't be cheap.

You see, in the last election leftwing PACs and coastal elite billionaires gave my Democrat opponent over \$8 MILLION in donations – *that's three times what I raised!*

But even with the deck stacked against me, I still pulled out a big win.

And I know I can do it again.

But I'm going to need your grassroots support to beat the Democrat Machine.

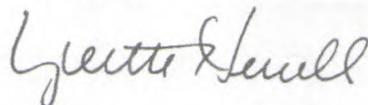

Can I count on you to help me defend this seat?

If your answer is “yes!” please rush back your *Defend Yvette Herrell* urgent reply along with a generous donation of \$35, \$50, \$100, \$250 or more, in the next 72 hours.

By helping me keep this seat we'll not only keep my America First vote in Congress, we will all but guarantee a conservative majority in the House in November.

And these Democrats will finally get the message that I'm not going anywhere.

Sincerely,

Yvette Herrell
Congresswoman, NM-02

P.S. Democrats think they're going to gerrymander me out of Congress, but I'm not going anywhere.

Please help me defend this seat by rushing back your *Defend Yvette Herrell* urgent reply along with a generous \$35, \$50, \$100, \$250 pledge of support. Together, we're going to take back the House, get back to putting America First, and finish what President Trump started. Thank you!
