

CAPTAIN SAM BROWN

UNITED STATES ARMY (RET.)

CONSERVATIVE REPUBLICAN FOR U.S. SENATE

WEST POINT GRADUATE ★ U.S. ARMY RANGER ★ PURPLE HEART RECIPIENT

Dear Fellow American,

When you look at the enclosed picture, what do you see?

A man suffering from a "disability"? A man struggling to overcome an unconquerable adversity? A man ready to give up?

I sure hope not.

I hope you see a proud patriot who was unafraid to serve his country, who is unbroken by the wounds of war, and who stands ready to charge head-on into the next battle.

BECAUSE THAT'S EXACTLY WHO I AM, AND THAT'S EXACTLY WHAT I'M DOING.

My name is Captain Sam Brown, and I'm running for U.S. Senate in Nevada against one of the most vulnerable freshman Democrats running for re-election in 2022.

I've faced challenges before, and I've overcome.

And with your help today, I know I can be victorious once again, win back control of the Senate for Republicans, and...

...bring a **strong conservative voice**, a **fighting spirit** and a **soldier's resolve** to Washington, where all three are badly needed these days.

So here's my request to you: give me 3 minutes of your time to finish reading the rest of my letter to learn why I feel called to serve my country yet again, and why I'm confident I can help flip this Senate seat -- giving Republicans a 51st vote.

Then, if you agree, sign and return the enclosed **PLEDGE OF SUPPORT** for my campaign for U.S. Senate.

Would you do that for me?

If so, I don't want to waste any of your time, so I'll just jump right in - by describing the three most important characteristics I'll bring to Washington:

Paid for by Sam Brown for Nevada

Sam Brown is a retired member of the U.S. Army. Use of military rank, job titles, and photographs in uniform does not imply endorsement of the United States Army or the Department of Defense.

#1 A STRONG CONSERVATIVE VOICE

Like you, I am a proud, unapologetic conservative.

I think we agree that...

... There IS a crisis at the border, despite what Joe Biden and the extreme left say. American sovereignty depends on full control of our borders, and we need to complete President Trump's border barrier immediately.

... Every fraudulent vote cancels out a real vote. Passing election integrity legislation will be a top priority as a U.S. Senator, including the requirement that every voter must produce identification to vote.

... The Constitution unequivocally guarantees our right to bear arms. As a Veteran and as a U.S. Senator, I will always fight to protect the Second Amendment.

... There is no justification for teaching Critical Race Theory in our schools or our military.

... Every life is precious, and it is in our American interest that we protect the lives of unborn babies.

AS YOU CAN SEE, I'M NOT SOME "WISHY WASHY" REPUBLICAN.

These conservative values come from my rural small-town upbringing, my belief in the greatness of America, my love for my family, my years of military service, and my deep faith in God.

So, yes, I have strong beliefs --- but it's more than that.

Unlike too many career politicians in Washington, I'm also willing to stand up and fight for the conservative principles I believe in. Which brings me to...

#2 A FIGHTING SPIRIT

As the oldest of five children, my parents taught all of us if you truly care about something, you'd better be willing to fight for it.

Well, just one month after the horrific attacks of September 11, 2001, I was accepted to attend the United States Military Academy at West Point.

Following my graduation and commissioning as an Infantry Officer, I was further tested and graduated from Airborne School and the elite U.S. Army Ranger school.

And while that chapter of my service is behind me...

...my love of country and my deeply-held conservative values call me

into another fight --- the one going on right now, in the halls of the U.S. Senate!

I'm no politician. (Far from it!)

Career politicians, like my opponent first-term Democrat Senator Catherine Cortez-Masto --- don't have the guts to tackle the big problems facing our nation --- that's why a battle-tested soldier like me is better suited to the job.

So, with your help, I will win this race, flip this Senate seat, and send the rest of Schumer's Democrats a powerful message...

... I'll fight for what's right --- against anything or anyone --- who stands in my way.

And when Schumer and the D.C. Swamp hits back, I won't cave in like so many others --- because I've got...

#3 A SOLDIER'S RESOLVE

Adversity has a way of separating the men from the boys.

In 2008, while I was deployed as an Infantry platoon leader to Afghanistan a roadside bomb detonated under the fuel tank of my vehicle --- leaving me coated from head to toe in flaming fuel.

I was burning alive. I cried out **"Jesus, save me!"**

And thanks to the grace of God and the heroic help of one of my men, I survived that horrific blast.

As you might imagine the road to recovery was as long as it was painful. I could have simply given up. It would have been the easier way out, to be honest.

But that's not what I'm about. I'm a soldier - we don't know the meaning of the word "quit."

I knew God had bigger plans in store for me too.

So I wouldn't consider --- not for 1 minute --- that my injuries would get the better of me. I recovered, and I'm stronger now --- of mind, body, and spirit --- than ever before.

After all of that, if you think I'll back down on a matter of principle just because Joe Biden or Chuck Schumer threatens me --- think again, my friend!

I hope you agree we need people of courage and commitment in the U.S. Senate. We need some guts, for goodness sake! And I hope you'll help send

me there, because I've got what it takes.

But for that reason (and for all the reasons I've listed), I'm a huge threat to Schumer's slim Senate majority.

Schumer knows his razor-thin majority hinges on this Senate race in Nevada. He's terrified that a someone like me, a decorated combat veteran with guts, is now running neck-and-neck against one of his most vulnerable freshman Senators.

So I bet the Democrats will do pretty much everything within their power to keep me from flipping this critical Senate seat --- including spending boatloads of cash against me.

But that's OK, because I know that conservative, patriotic Americans like you will rally by my side.

So I'm really hoping you'll rush back your PLEDGE OF SUPPORT today, and include your best possible campaign contribution of \$35, \$50, \$75, \$100, \$250 or more.

Would you do that for me?

I've enclosed a pre-addressed return envelope to make it easy for you to respond. Try to get back to me within the next 72 hours, if you can.

You see, there's no time to waste.

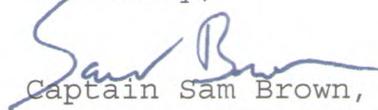

Attacks are already being hurled against me, and I urgently need the resources to fight back right away.

So if it's within your means to send a major donation of \$500, \$1,000, or even the legal limit of \$2,900 --- I hope you'll consider generously investing in my campaign today.

But contributions of all sizes are important.

Whether you can send \$35, \$50, \$75, \$100, \$250 or more, please rush back your most generous contribution along with your PLEDGE OF SUPPORT to my campaign today. Thank you so much!

Sincerely,

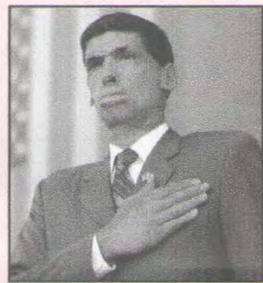

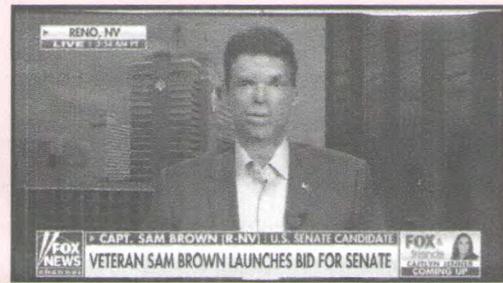

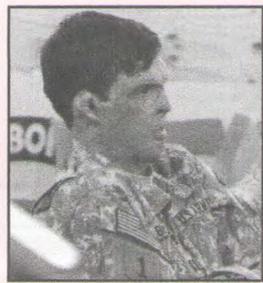

Captain Sam Brown, U.S. Army (Ret.)
Republican Candidate for Senate (Nevada)

P.S. Schumer's Democrats cannot afford to lose this bellwether Senate race in Nevada. I know I can win here, flip this seat, and hand Republicans a much-needed 51st vote against the radical Biden agenda. Will you please rush back a generous campaign contribution of \$35 or more to help me beat vulnerable first-term Senator Catherine Cortez-Masto? Thanks again and God bless!
