

JOHN KENNEDY
United States Senator (R-LA)

Dear Fellow Republican,

Just so there's no confusion...

My name is John Neely Kennedy and I'm the conservative, never-back-down, Republican Senator from the great state of Louisiana.

And to be quite honest, I'm madder than a pack of murder hornets.

Joe Biden and Kamala Harris are perpetrating a massive fraud on the American people.

It's got to be called out.

And it's got to be stopped.

You see, Biden skated into office with the help of the democrats' fan club, the compliant fake-news media. The "kid glove" treatment he got from the press in 2020 consisted of fawning questions about his favorite ice-cream flavor.

No doubt you recall the assurances from the media.

"He's a moderate." "He's not beholden to the radical left wing of the Democrat party." "All he wants is a return to normalcy."

What a sham. What a ruse. What a fraud.

Pick whichever term you like, the truth and the reality of the situation is this...

Joe Biden's first year in office has shown him to be the most radical left wing occupant of 1600 Pennsylvania Avenue that I've seen in my 69 years on God's green earth --- more liberal than LBJ, Carter, Clinton, or Obama. This is not conjecture or exaggeration.

Is Biden with it? Or is he just a puppet of the radical

left? Doesn't matter.

The result is the same: an extreme left turn for America.

I see it every day as I go to work in the U.S. Senate --- working to combat the fire-hose of radical executive orders, policies, nominees, and in rare cases, legislation.

Over 77 executive orders in his first year alone --- everything from destroying American jobs to open borders.

Again, another blaring "fraud alert." You'll recall that "candidate Biden" said pushing one's agenda by executive order is the hallmark of a dictator.

I'll pause there for a moment. Let that one sink in.

Well, my point in writing to you today is to ask for your support in my re-election campaign so I can stay right here in the U.S. Senate and continue leading the fight to stop Dictator Biden's radical power-grab.

- Fed up with being deceived and lied to by the Democrats and the media?
- Fed up with big city elites forcing their crazy liberal values on the rest of us?
- Fed up with DC politicians who fight for corporate lobbyists and special interests but don't fight for you?
- Fed up with the ongoing "bait and switch" Joe Biden and Kamala Harris (and their media pals) are pulling on our country?

Me too. That's why I need your help today.

And that's why I'm asking you to use the enclosed pre-addressed reply envelope to rush a one-time contribution of \$35 to my campaign headquarters today... like right now.

Because the reality is that the United States Senate is

what it all comes down to. The only acceptable outcome of the 2022 midterms is for Republicans to take back the Senate. Nothing else will do.

Status quo of 50-50 with Kamala as tie-breaker? **Nope.**

Democrats picking up seats? **Can't happen.**

No sir. The only acceptable outcome is a flat out repudiation of Biden/Harris/Schumer and a rejection of their agenda.

34 seats are up in 2022.

Including my own.

20 of these are Republican held and must remain Republican held in order to have a prayer of a chance at taking back the Senate.

To be blunt, I would not be doing my job if I failed to finish strong in this fight for re-election.

In fact, it would be malpractice of the highest order not to spend the next 7 months continuing to expand my campaign, identifying voters, and compiling the resources to defeat the hand-selected Radical they've picked to run against me on November 8, 2022.

It's no coincidence or accident that the top legislative priority in the Pelosi-run House has been H.R.1 --- a bill to take the vote-by-mail and ballot-harvesting the Democrats used in 2020 and make them the law of the land.

So, yes, I've also got to be locked and loaded and ready to stop them from stealing this seat.

It's that simple.

Remember, the Biden-Harris duo was sold to our country on false pretenses. Not a lick was said about open-borders/ amnesty... infanticide... ending the filibuster... or H.R.1... or travesties like the anti-family, anti-faith, pro-

transgender "Equality Act."

You didn't hear a word about their true agenda in 2020, but the cat's out of the bag in 2022.

Will you join my campaign team today to stop this deception and make sure these radicals never get the chance to do any more damage to our country and our Constitution?

Your \$35 contribution is vital.

If you think you can send more --- maybe \$50, \$75, \$125, \$250, \$500, \$1,000, or even \$2,900 I would be most grateful.

But whatever it is, please hurry.

Like I said, I wouldn't be doing my job if I failed to write you this letter today asking for your support. The stakes are just too high.

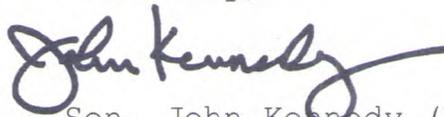

Now, will you do your part?

Whether you can give \$35 or more, will you answer my letter today?

I'm banking on it. I'm banking on you to reply so I can keep up my an indomitable, statewide, 64-parish campaign operation.

So please hurry. And please know how grateful I am.

Sincerely,

Sen. John Kennedy (R-LA)

P.S. You and I must do everything in our power to take back the Senate. That means fighting before, on, and even after Election Day 2022 to make sure only legal votes are counted. No fraud. No magically "found" votes or vote-by-mail "irregularities." Everything is riding on this election. So please rush your contribution of \$35 or more back to my campaign headquarters today. I thank you.

KENNEDY
