

John Kennedy

U.S. Senator (R-LA)

Spring 2022

Hello,

I wanted to drop a letter in with Don's -- because I think it's just as important for you to hear "from" me as it is for you to read a letter "about" me.

It means the world to me to know that the Trump family is offering their support for my run to keep this crucial senate seat in 2022.

I don't know if you've gotten the chance to meet Don Jr. or his dad, our 45th president, but one of the things that surprises people is that Donald, Donald Jr., Melania and the whole bunch are just regular people.

I think that's why the "ruling elites" like Joe Biden, Nancy Pelosi and Chuck Schumer hated him so much...

... and I think that's why they don't think too much of me either.

The truth is, these career, elitist politicians in Washington don't have much use for normal people like you and me at all.

That's why it's so important that there are a few of us left here, my friend -- and why I hope you'll help support my run for re-election in just 8 months.

I think Don. Jr. has done a pretty good job of laying out the case for your support of our campaign -- so please take just a minute or two to read his letter.

If, after you've read Don's letter, you decide you want to help us, then I want to thank you in advance for honoring me with your trust, trusting me with your contribution, and giving me the absolute privilege of serving not only the good folks of Louisiana, but our great country.

Yours truly,

Senator John Kennedy

From the Desk of
Donald Trump, Jr.

Early Tuesday Morning

My Dear Friend and Fellow American,

There are 2 things that career politicians in Washington DC hate more than anything else:

1. The Truth
2. Anybody brave enough to stand up and speak it

As you know, my dad -- and my family -- have experienced the Radical Left's hatred of the truth and truth-tellers firsthand.

But real leaders don't cower in fear of career politicians and members of the Leftist media who hate us -- we wear that hatred as a badge of honor. It means we're making them very uncomfortable -- and that's a good thing.

There aren't many folks in Washington right now still willing to speak the truth about the Radical Left's "America-Last" agenda...

But I want to introduce you to one today that I think you will appreciate getting to know -- John Kennedy.

You might be confused about who I'm referring to because he shares his name with our 35th President. But honestly, you probably already know the John Kennedy I'm talking about.

He appears on FOX NEWS from time to time -- and even if your TV is on in the background and you might not be paying very close attention, John's commonsense way of talking about the issues probably grabs your attention...

...especially when he says things like "I'm mad as a boiled owl" or "some hogs have all four feet and their snout in the trough..."

Now I've never owned a hog or boiled an owl, but when John makes a point, you can tell exactly what he's trying to say.

So does Joe Biden, Nancy Pelosi, Chuck Schumer and the rest of the Democrats in Washington.

John's words sting them a little extra -- because those words

paint a perfect picture of who they really are - especially when John's unfiltered truths conjure up images like pigs at a government trough.

My friend, we need more truth-tellers in the U.S. Senate...

More **commonsense** and less **nonsense**...

You can rest assured that the Democrats and their fellow travelers in the "mainstream media" are doing everything they can to get rid of John and anyone else who dares to call them out for what they really are.

I am well aware of how much they're going to invest in throwing John out of office - that's why I volunteered to write this letter to you on John's behalf.

My friend, John would just come out and say it - so I will, too...

Will you answer my letter today with a one-time contribution of \$36.00 to John's re-election campaign?

After what happened in 2020, we can't afford to lose another truth-teller like John.

I know it might feel like the mid-term elections are far off -- but the 2022 elections are just 8 months away!

The battle lines have already been drawn...

The Radical Left has singled out their targets -- and there are more crosshairs on our friend from Louisiana than just about any other Republican up for re-election this November.

If it sounds like I have a lot of loyalty to John, it's because I do.

It's hard to think of a current U.S. Senator who has done more -- or continues to do more -- to support our military, our Constitution, our Rights and our Country than John.

If you're wondering how popular John is in the Trump family, just know that Senator Kennedy was one of the FIRST Candidates my dad endorsed in the 2022 mid-terms.

I feel like, in a lot of ways, we are part of the same family, my

friend.

So I hope you'll join me, dad and the rest of the family and get behind John Kennedy.

We need him in Washington...

And he needs you.

So yes, I have a tremendous amount of loyalty for John -- not just because he is a friend -- but because I know he will continue to speak the truth (much to the disdain of the Radical Left) and will ALWAYS vote and advocate for the Constitution, your individual liberty, and the Judeo-Christian values that you and I share.

I know that when you woke up this morning sending a contribution to Senator Kennedy might have been the farthest thing from your mind. But now that I've brought his fight to your attention tonight, I hope you'll prayerfully consider responding with your one-time \$36 contribution.

I know \$36 is not a small amount of money.

But I can't think of many things that are more deserving of your \$36 investment right now than fortifying the campaign of such a committed American Patriot.

For some, \$36 might be a little too much right now. So if you can more easily send \$20 or \$25, please know that Senator Kennedy, and I, would appreciate it more than you know.

I hope that 2022 has begun as a year of blessings for you.

If it has, and you can afford to send a gift of a little more, in the \$50, \$100 or \$250 range, then I hope you'll consider helping on that level.

Maybe you've been especially blessed in recent months. If you can pull together a gift of \$500, \$1,000 or an amount up to \$2,900, then by all means -- this is the time to send it.

As you may be aware, the 2022 elections are already well underway.

NOW is when Senator Kennedy has to keep up a 64-parish campaign strategy that will bolster his all-important election in just 8

months.

NOW is when your support is vital to his chances of holding on to this critical seat as part as the overall strategy to return the U.S. Senate to Republican control.

NOW is when we take the first step in taking our country back.

I won't be "mad as a boiled owl" if you don't help today, my friend.

But it sure will mean the world to me and Senator Kennedy if you say "YES" to joining the "Kennedy for Senate" campaign today.

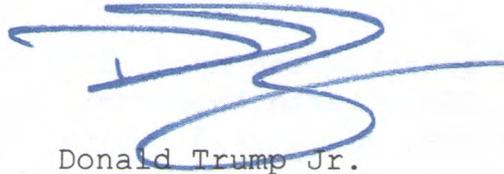

I hope that you are well, and if you are ever at an event where I, my dad or any of the rest of the family is also in attendance, please come up and introduce yourself.

I'd like to meet you if I get the chance!

Please don't delay -- Senator Kennedy needs your help right now -- and our country needs him.

God bless you, and GOD BLESS AMERICA!

Your Partner in taking back our Country,

Donald Trump Jr.

P.S. You probably already know Senator Kennedy.

If you don't, then I hope my letter has done a good job of explaining why I think he deserves your support today.

Your gift of \$36, \$50, \$100, \$250, \$500 or even \$1,000 or \$2,900 could make all the difference in making sure this unafraid, American Patriot is there to put the Radical Left in their place, fight for your individual liberty and hold onto a critical seat in the 2022 midterm elections.

Our family is committed to standing behind Senator Kennedy. And as a brother or sister in our extended "Conservative" family, I hope you'll stand behind him too!
