U.S. SENATE

Early Monday Morning

Dear _____

Will you help me STOP JOE BIDEN by winning one of the most important battleground Senate races in the entire country?

If the answer is **YES** (and I pray it is) please rush back your **AMERICA FIRST REPLY FORM** in the enclosed envelope in the next 3 days.

Three years ago, President Trump boldly promised that America will never be a socialist country.

But now that Senate Democrats are trying to take over our Elections . . .

Big Tech is going all-out to cancel and cancel conservatives . . .

And Biden is STILL trying to ram through his mandates and socialist spending bills . . .

It's up to America First conservatives like *you and me* to keep President Trump's promise of stopping socialism.

And the battle begins today – by retaking the U.S. Senate and blocking each and every Democrat bill from making it to Biden's desk.

Will you help me in this mission?

If my name is new to you, I'm Congressman Ted Budd and I'm running as the Trump-Endorsed Conservative in North Carolina's battleground U.S. Senate race.

Win, and we Republicans stand an excellent chance at taking back the Senate and stopping Joe Biden and Kamala Harris' radical agenda dead in its tracks . . .

Paid for by Ted Budd for Senate

Not paid for at taxpayer expense.

But lose, and we surrender our God-given values, our Constitutional liberties, and President Trump's America First promise.

You should know that this race figures to be one of the closest in the entire country. In 2020, Democrats came within a mere 2 percentage points of flipping North Carolina's other U.S. Senate seat, and have already thrown *millions* at presumptive nominee Cheri Beasley, who's raised a Left-Wing war chest with the help of the Socialist Squad!

That's why I'm asking you today not just for your prayers— but also for your generosity and financial support.

Will you rush back a campaign donation of \$45 or more?

As a strong fiscal conservative and small business owner, I know the value of a dollar.

In fact, before I ran for Congress as a political outsider in 2016, my background was in small business. Growing up, I worked on my parents' cattle and commercial chicken farm - learning the importance of faith, hard work, and family.

These aren't just buzzwords for me – they're values I've lived all my life:

- ⇒ When I was a young adult, I met my wife on a mission trip and attended Dallas Theological Seminary – understanding our rights come from God, not government;
- ⇒ As an adult, I worked to build small businesses in the state, revitalizing a bankrupt gun shop in central North Carolina;
- ⇒ When I became a father, my wife Amy Kate and I decided to homeschool our three children – knowing that families should have the choice to decide what their kids learn in school.

I'm proud to say I haven't just lived these values in my personal life, but I've fought for them in Congress too:

- I fought for President Trump's tax cuts and have been named a **"Taxpayer Superhero"** for taking on Washington's reckless and wasteful spending;
- I have a **A+ rating from the NRA** and am **endorsed by Gun Owners of America**;
- I've fought against the Left's Marxist CRT agenda, opposed Biden's Vaccine Mandates, and **Defended our Election Integrity** against the Left's attempts to legalize fraud!

As you can imagine, my conservative credentials – as well as President Trump's **complete and total endorsement** - have made me a special target for the Left.

And after outside liberal groups spent more than \$140 million targeting North Carolina during the 2020 Senate race, you can bet they're going to come after me – hard.

In fact, one Democrat SUPER PAC is already running ads against me!

That's why I'm not wasting any time in building up a campaign fund to take on the Left in this battleground race.

And it's why I'm asking you to play a critical role in my race by making a \$45, \$75, \$100, \$250, or \$500 dollar gift to my campaign within the next 48 hours.

My friend, I don't even want to think about what will happen if the Left flips this Senate seat in 2022. If it wasn't bad enough for them to spend four years smearing President Trump's supporters – now they want to use their majority in Washington to change our elections and ram through their socialist agenda.

I'm not going to let them – and it's my promise to you that I will fight back against their socialist agenda every step of the way.

But remember – outside Left-Wing groups spent over \$140 million in the 2020 North Carolina Senate race . . . and they're planning to spend even more this year.

To beat them back, my team needs to get started right away.

So whether you can give \$45 or \$500, the most important thing is that you give right away – within 3 days.

Thank you for reading. And know that with your help, we will keep President Trump's promise. We will never allow America to become a socialist country.

Respectfully,

A handwritten signature in black ink that reads "Ted Budd".

Ted Budd
Congressman (NC-13)

P.S. Two years ago, President Trump boldly promised that America will never be a socialist country. And now that we have a chance to win back the Senate for conservatives in 2022, it's our turn to keep that promise.

I'm running in the open U.S. Senate seat in North Carolina because I believe in our American values of hard work, faith, and family. But as a principled political outsider who stands against everything the career politicians in the Radical Left are planning, I already have a target on my back. That's why I'm asking you to help me kickoff my campaign by rushing back a \$45 or more gift in the **America First Reply Envelope** I've enclosed with this letter. Thank you!

Yes, Ted! We cannot allow the Left to keep the Senate, especially after Joe Biden and Kamala Harris have used it to ram their destructive agenda into law. We need strong America First conservatives in the Senate – and we need you to win the fast-approaching North Carolina U.S. Senate race so you can stop their agenda.

The last time the Democrats came into North Carolina, they dumped over a hundred million dollars in their failed attempt to flip a Senate seat. So, to help you counter their multi-million-dollar effort to win this race, I'm proud to help kickoff your campaign with a gift of:
