

SENATOR TED CRUZ

Dear

Are you still on our team?

With Joe Biden and the Radical Left wrecking our economy, destroying our energy independence, triggering a crisis on our southern border, and causing a nationwide crime wave . . .

. . . **I hope your answer is a resounding “YES,”**

America simply cannot take another two years of one-party Democrat rule in Washington, and it's going to take a united effort from conservatives like you and me to shut down socialism.

And that's why I'm anxious to hear back from you.

In the past, you were a loyal and dedicated supporter of my campaigns. Heidi and I will always be grateful for your generous friendship. No matter what.

But it's been a while since I've heard from you. And I'm growing concerned. With the Radical Left going all in on their mission of destroying our country, this is an “all hands on deck” situation.

They're shattering fundraising records left and right, and conservatives need to stand together now or we risk being outspent in the months ahead.

So if at all possible, I urge you to come back to our grassroots team. Simply fill out the enclosed **Membership Reactivation Form** and mail it back along with your gift of **\$70, \$55, \$35** or any amount you can afford.

I know the state of the Biden economy – especially the runaway inflation we're enduring – makes things difficult. If you simply can't officially rejoin our team today, I understand. And I'll never forget the loyal friendship you showed in my past campaigns.

Over the years you and I accomplished a lot together in defense of freedom and the Constitution, including:

- ✓ Passing the largest tax cut for America's working families;
- ✓ Confirming more than 200 stellar conservative judges to our federal courts; and,

Over, please . . .

- ✓ Achieving energy independence for the USA.

But if we allow the Radical Left to cling to power this fall, we risk letting them destroy all our hard-earned victories.

So any donation you can send today will go a long way in helping us carry on our fight, and I will greatly appreciate the support.

We are under constant attack from the corrupt corporate media, Big Tech companies, Hollywood elites, woke-left CEOs, and all the other socialists who want to tear down anyone who stands up for our values and our God-given rights.

They despise my work in defense of our freedoms and limited government. **I am constantly exposing their disastrous agenda for what it is, and they are fighting like crazy to shut me up and shut me down.**

But you know that I won't give up, not with everything that's at stake this year.

And that's why I'm reaching out to you today – your contribution will help strengthen my voice in DC, calling out the Radical Left's failures on the border, in the economy, and in upholding the Constitution and the rule of law.

As we move closer and closer to November, it is critical that I am able to expand our grassroots operations if we're going to remove them from power in the midterms.

Will you come back as a valued member of our team so that during the critical months ahead, the American people can rise and stop the left-wing disaster?

Please say "YES!" by filling out your **Membership Reactivation Form** and mailing it back to me along with the most generous contribution you can afford.

Thank you in advance – your renewed generosity will make a real difference in our fight to protect our values and freedoms from the Radical Left!

For Liberty,

Senator Ted Cruz

P.S. The DC Democrats know that the American people are turning against them – and you and I know that they will try to lie, cheat, and steal their way to victory this fall. They are desperate to cling onto their power, and it is critical that we stand together if we're going to win in November.

I'm relying on loyal, grassroots conservatives like you to help me fight back. Please chip in whatever you're able to help me keep up the fight. Thank you for everything, and God bless you and your family!

U.S. SENATOR TED CRUZ
