PO Box 96865 ✪ Washington, DC 20090-6865

## FROM THE DESK OF **TED CRUZ** *Senator - Texas*

14068

Early Monday Morning

Dear Fellow Conservative,

**The path to stopping Joe Biden runs through the U.S. Senate race in Missouri.**

**And it starts with electing America First Conservative fighters like Eric Schmitt this November 8<sup>th</sup>.**

I'm writing to you today to let you know Eric has my complete and total endorsement in this battleground race – and to ask for your help in *winning* it.

Will you rush back your America First Fighter Reply in the next 3 days to join me in supporting Eric in this race?

It's vital that you do.

Over the last year, **Democrats have quietly made Missouri into one of the top battlegrounds** – throwing their support behind a fake moderate who will sign off on every radical agenda item Biden dreams up.

They're *going to throw* open our borders.

They're *going to take* our guns and release criminals onto the streets.

They're *going to silence* you for your faith and conservative beliefs.

And they're *going to rewrite* our Elections Laws so they can cheat.

If they get their way, America will be on its way to looking like *Communist China*.

But today, you and I can stop them.

You and I can make sure we don't just take back the Senate from Joe Biden, Chuck Schumer, and Kamala Harris – but that we can elect an America First conservative who will take a sledgehammer to every move they make.

If you've seen Eric at all on Tucker over the last few months, you know he's already started to.

As Missouri's Attorney General, he's been one of the only elected officials in the country to challenge Joe Biden on each and every insane, authoritarian, and un-American action you could dream up.

Eric has filed lawsuit after lawsuit against mask and vaccine mandates.

Eric has sued Biden over the disaster at the border.

Eric has taken on activist DAs letting criminals back onto our streets.

**And time and time again, Eric has won.**

**This is why I have so much faith – and excitement – in Eric's America First campaign for Senate.**

He's not just going to vote against Chuck Schumer on every issue – he's going to join me in going on the offensive against these anti-American Marxists.

But remember – he'll need your help to do it.

Eric's opponent – with the support of Elizabeth Warren's PAC - is well funded and currently sitting on over \$2.5 million.

What's more, he has the gushing and constant support of the media, which has gone the extra mile to vilify Eric for his ceaseless defense of *your* God-given liberties.

And because CNN has already declared this race one of the top battlegrounds to "flip" in November, Eric can expect the attacks to increase.

I know from talking with him that he's proud to take them head-on – because the media isn't just attacking him, they're attacking *you*.

With that in mind, I hope you understand how important it is that Eric has your support in this race.

**If you do, would you rush back an immediate \$35 donation to his campaign defense fund?**

Remember, Missouri might lean Red, but it hasn't been long since Democrats had their hold on it.

It was just a few years ago that "moderate" Claire McCaskill signed off on every one of Barack Obama's agenda items, pushing our country further down the path toward socialism.

Thankfully, grassroots patriots like you stepped up to help defeat her in 2018, but we can't get complacent now.

Not with the Senate on the line.

And not with Eric's opponent raising millions in left-wing cash.

With that in mind, I hope you'll consider giving more than \$35 if you have the means.

In fact, a larger donation of \$100, \$250, \$500, \$1,000, or the FEC maximum \$2,900 goes a long way toward buying TV commercials, paying for travel, and getting a constant stream of ads on the web.

And if you can't quite give \$35 right now, I understand.

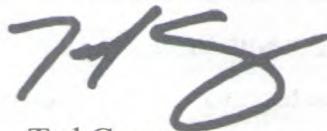

But know that even a smaller donation like \$10 helps get Eric's message out to an additional 12 America First patriots.

But whether or not you can give \$10 or \$1,000, the important thing is that you use the enclosed envelope to write back to Eric right away.

He needs the support of as many America First patriots as he can get.

And he's counting on you to help him win this race.

For Liberty,

Ted Cruz  
Senator – Texas

PS: I've sent you this letter because I know you're an America First Conservative who cares deeply about our country and knows we must take back the Senate with real conservative fighters this November. Eric is that fighter, which is *exactly* why the Media and Democrats have made him their number one target in this race.

Because of that, he's going to need the help of grassroots patriots like *you* to keep his campaign strong. So, can I count on you to mail him back a \$35 donation in the next 3 days?
